NOTIFICATION

Exit option after 3rd Year

Students enrolled in the 4-year Under-graduate Curriculum Framework 2022 based on the National Education Policy (NEP) 2020 and have successfully completed 6 semesters (3 years) are eligible to submit their intent to exit the program with a 3-year degree for multi-core discipline programmes and Honours degree for single core discipline programmes, as applicable.

Students interested in availing the above option can login to the University's Student portal at <https://slc.uod.ac.in> and submit their intent through the designated online process. The University encourages eligible students to carefully evaluate their academic and career goals before making this decision and recommends consulting with their teachers and mentors to ensure informed decision-making. This initiative aligns with the NEP 2020's emphasis on providing multiple entry and exit points in higher education, offering students enhanced autonomy over their educational pathways.
