Message

Maharaja Agrasen College's Annual Report for the session 2024-25 is a testament to the achievements, the exertions, dedication, and commitment of all stakeholders—teachers, non-teaching staff, students, and the administrative staff. It is as much a record of all the activities planned and organised, triumphs of the past academic year, and the milestones accomplished as much as it is a preview of things to be undertaken in the coming years. Maharaja Agrasen College has always been committed to facilitate a holistic and inclusive learning based on sustainable paradigm and this report offers comprehensive evidence of such a value-based educational model.

In different capacities, the College has showcased its ability to maximise the potential of its stakeholders. Whether it be to provide the faculty with an opportunity to be involved with varied collective engagements like collaborating with NIEPPA, Delhi for a two-week online Refresher Course for faculty and researchers pan-India or whether it be to offer the students and faculty with a multi-disciplinary, interdisciplinary platform where conferences, seminars, talks, and lectures can be organised, Maharaja Agrasen College has always been committed to widen the educational vistas. The inception of 'Sahastradhara,' in the past year, has emerged as a crucial intervention to enable an open and dynamic learning space outside our classroom environments. Maharaja Agrasen College has been rooted in promoting our communitarian values, and NSS Cell, G-One Environment Cell, NCC Girls Cadet are a few of the forums which optimise an inclusive learning and holistic vision to develop. The different cultural forums like Co-Curricular Activities, formerly Extracurricular Activities, have continued to showcase the diverse art forms of our nation and to verbalise the cognitive and cultural aptitudes of students of the College.

On behalf of the Governing Body, I congratulate the Principal, teaching and non-teaching staff members and the student community for their continuous efforts, commitment and intellectual acumen in enabling the College to emerge as one of the best institutions of University of Delhi. I am firmly of the opinion that this Annual Report outlines only a miniscule of the potential that this College embodies and that MAC fraternity will keep on attaining greater heights.

Message

It is with great pride and pleasure that I present to you the Annual Report for the academic year 2024–2025 of Maharaja Agrasen College, University of Delhi. This academic session has been marked by a vibrant expansion of our pedagogical and cultural horizons, driven by a collective vision to nurture intellectual curiosity, creativity, and social consciousness within our college community. This report reflects the collective efforts, achievements, and progress of our college community—students, faculty, staff, and stakeholders—who have worked tirelessly to uphold our commitment to academic excellence, innovation, and holistic development. The report highlights our key accomplishments, strategic initiatives, and the milestones that have shaped our journey.

This year, Maharaja Agrasen College has continued to serve as a fertile ground for innovative thinking and meaningful academic collaborations. A significant milestone was the successful organization of the two-week online multidisciplinary Refresher Course on 'Research Methodology and Academic Writing' in partnership with UGC's Malviya Mission–Teacher Training Programme (MM-TTP) and NIEPA. This initiative offered educators a robust platform to enhance their research acumen and academic writing skills. Additionally, the Indo-Georgian Cultural Meet, hosted in collaboration with the NGO 'Cultural Diversity' beautifully showcased our commitment to intercultural understanding, unity in diversity, and global collaboration.

True to the spirit of the National Education Policy 2020, our college has embraced a dynamic and student-centric learning approach. The Abdul Kalam Centre (AKC) introduced six short-term skill-enhancement courses on diverse and contemporary topics such as Digital Marketing etc. These courses were designed to bridge the gap between theoretical knowledge and its practical application, thereby empowering students with hands-on, employable skills.

The AKC also played a pivotal role in fostering undergraduate research by initiating 14 faculty-mentored, student-led research projects across a range of interdisciplinary fields—spanning AI, culture, data programming, consumer behaviour, and the stock market. These projects not only provided an early introduction to research methodology but also encouraged students to engage critically with real-world challenges.

Another pathbreaking initiative, 'Sahastradhara', was introduced this year as a dynamic micro-learning platform that integrates eco-conscious practices with contemporary pedagogical tools. Especially impactful for students enrolled in VAC and SEC courses, Sahastradhara has grown into a hub of experiential learning—redefining how knowledge is acquired, applied, and disseminated beyond traditional classroom walls.

The academic year 2024–25 has thus been a testament to our college's commitment to excellence, innovation, and holistic development. Through sustained efforts in research, intercultural dialogue, skill-building, and sustainable practices, we continue to nurture a vibrant educational ecosystem that empowers every member of our community.

I wholeheartedly thank our committed faculty, staff, students, and all stakeholders for their unwavering support and spirit of collaboration. With this collective strength, I am confident that we will continue to achieve new milestones on our journey of growth and excellence.

COMMITTEES/CENTRES

ABDUL KALAM CENTRE

Established in 2016, the Abdul Kalam Centre (AKC) contributes towards bridging the gap between theoretical learning and real-world application through skill-based short-term courses and via undergraduate student research initiatives. In the academic session 2024-25, the Centre expanded its academic footprint through both curriculum enrichment and research-oriented student engagement.

Carefully curated to cater to students from different academic backgrounds and interests, the Centre successfully offered six diverse and industry-relevant short-term courses this year.

1. **AI-Enhanced Development:** From Prompts to Apps - Coordinator: Prof. P. K. Pandey
2. **Artificial Intelligence and Prompt Engineering** - Coordinators: Ms. Puneeta Agarwal, Dr. Kalpana
3. **Essentials of Digital Marketing** - Coordinators: Ms. Puneeta Agarwal, Dr. Kalpana
4. **Full Stack Development (MERN)** - Coordinator: Dr. Omkar Singh
5. **German Language Course (A1 Level)** - Coordinator: Prof. Gitanjali Chawla
6. **Nail Art - Coordinators:** Ms. Puneeta Agarwal, Dr. Kalpana

The Centre launched 14 student-driven research projects, spanning diverse disciplinary domains. Guided by faculty mentors, these projects functioned to strengthen the research landscape of the institution and to develop critical thinking and communicative skills amongst the undergraduate students.

G- वन - THE ENVIRONMENT CELL

G- वन- The Environment Cell of the College integrates innovative ideas with hands-on activism to shape a greener future. Because of the impactful initiatives undertaken by this Cell, MAC proudly holds the distinction of being a Zero Waste Campus. This year, several initiatives and events were organised to transform our campus into an eco-friendly space while inspiring future changemakers.

During the college Annual Fest - Yuvaan'25, an **Exhibition Stall** was organised from February 27-28, 2025. As part of an entrepreneurial initiative promoting sustainability, the stall featured plants, manure, and leachate prepared in the college campus. Additionally, the Exhibition showcased eco-friendly products such as bamboo toothbrushes, recycled plastic pen holders, recycled stationery, and seed pens and pencils; encouraging a more sustainable lifestyle.

The **Annual Felicitation Program** was organised to acknowledge and appreciate the tireless efforts of the workers (non-teaching staff) who play a crucial role in maintaining the beauty of the college campus. As a token of appreciation, gifts were distributed to all the workers. The program was further enriched by the presence of the (Principal) Prof Sanjeev Kumar Tiwari, the Convenor, Ms Puneeta Agarwal, and faculty members, who personally thanked the workers for their invaluable contributions.

In collaboration with Karu Sambhav, a **workshop on E-waste management** was organised on October 17, 2024. The workshop conducted by the coordinator of Karu Sambhav, an alumnus of the College, raised awareness about the hazards of e- waste and the need for its responsible disposal.

The **Paper Waste Collection Drive** is a practice held at the end of each semester wherein waste paper is collected from each department, committees, and the admin office, and subsequently is handed over to "Jagruiti," an organization that repurposes it and provides paper rims in return. This fosters the practice of sustainability.

The **Wet Waste Collection Drive**, a daily practice of the Cell, subscribes to an eco-friendly approach to waste management by converting wet waste into nutrient-rich manure through composting. This initiative not only improves soil fertility but also reinforces green practices, making it an effective model for sustainable waste management in the institution.

In collaboration with the Indian Pollution Control Association (IPCA), the **Plastic Waste Management Initiative** has been undertaken since April 4, 2023. The initiative has actively worked to reduce plastic waste consumption on the campus by recycling plastic waste responsibly. During this period, G- वन- volunteers successfully collected a total of 777.9 kg of plastic waste, including bottles, polybags, and tetra packs.

A **Cloth Collection Drive** took place on January 25 & 27, 2025. As part of this initiative, members collected used clothes from students, teachers, staff members, and external donors, and which were then donated outside the college to support those in need.

To further extend the impact, G- वन- later collaborated with the North East Society of Maharaja Agrasen College for another collection and donation drive, reinforcing their commitment to social welfare and sustainability.

In collaboration with **MAC-NSS, Swachhta Pakhwada**, a special initiative aimed at promoting cleanliness and sustainability is scheduled to be organised from the end of March to early April 2025. The event will feature engaging activities where participants can showcase their contributions toward cleanliness. An event, Green Tech Innovation is also scheduled to be held. In this event, via case studies, students will outline innovative eco-friendly solutions.

HIMALAYAN STUDY CIRCLE

Himalayan Study Circle was established in the College in August 2022 with the aim of undertaking multi-disciplinary research on Himalayan ecology and culture. This Study Circle is affiliated to the Centre for Himalayan Studies, University of Delhi, a nodal centre for multidisciplinary research in Himalayan history, geography, society, economy, polity, culture, and related fields. **Popularly called HSC@MAC**, the Study Circle works towards the sensitisation of the college community to the Himalayan region as a vast pool of natural and cultural resources which has shaped the contours of the Indian subcontinent.

Student volunteers along with the faculty of Himalayan Study Circle have been instrumental in curating various features of Sahastradhara including its landscaping and lay-outing, selection of species of plants and designing posters for informal learning. The team was deeply involved in the Inauguration function of Sahastradhara. Regular interactions on various issues pertaining to Himalayan ecology were undertaken.

A screening of documentaries on the fragile Himalayas and the mapping of various cultural practices by the people in the region was organised.

HSC@MAC will organise a one-day Symposium on '**Sustainable Livelihoods in the Himalayas through its Homestays and Indigenous Resources**' where experts from academia delved on issues pertaining to outmigration, and ways to ameliorate the condition of the people residing in various Himalayan regions.

INTERNAL COMPLAINTS COMMITTEE

Maharaja Agrasen College, University of Delhi, upholds a policy of zero tolerance towards sexual harassment. The Internal Complaints Committee (ICC) of Maharaja Agrasen College was constituted in 2015 in accordance with the norms specified in the Sexual Harassment of Women at Workplace (Prevention, Prohibition, and Redressal) Act, 2013. The committee is committed to ensuring a safe, inclusive, and supportive environment for female students within the college.

In collaboration with the Women Development Cell and the IEEE Signal Processing Society, Delhi Chapter, an interactive talk on **Cyber Security and Digital Frauds** was organised on October 1. The session featured Mr. Anuj Agarwal, an expert in cybersecurity, cyber laws, forensics, fintech, cryptocurrency, and e-commerce. More than 50 students attended the session, where they were educated about emerging cyber threats, online frauds, etc.

In association with the Women Development Cell and the District Legal Services Authority, East Delhi, an **interactive session on the Prevention of Sexual Harassment (POSH) Act** was organised on March 3, 2025. The session was

conducted by Advocate Vidhi Jain, who provided an in-depth understanding of the POSH Act and its related legal provisions. More than 70 students participated in the discussion, which aimed to create awareness about workplace safety, legal rights, and gender sensitization

The ICC conducted a **Safety Audit** in April 2025. A Google Form was circulated among students to gather feedback, and various responses and suggestions were received. These inputs have been instrumental in identifying key areas which require attention, enabling ICC to focus on implementing necessary improvements and preventive measures.

SAHASTRADHARA

Sahastradhara,' a convergence of various streams of thought, is a space developed by the College to encourage students to engage in critical thinking, who choose to study alone or with peers, and to access learning resources in an open environment. 'Sahastradhara' has been developed recognizing the importance of informal open learning spaces and aligning with the NEP 2020, requirements. Several features such as a herbal garden, dedicated parks for yoga and meditation, vermi and anaerobic composting pits, organic farming beds, seedling beds, a sowing area, a poly-house, and a gazebo have been added to make the space a true learning hub outside classroom.

These designated areas will **serve as micro learning centers** for various programs and courses, **particularly for SEC and VAC students.**

This informal learning space was inaugurated on January 15, 2025. The Chief Guest for the event was Prof. Bindhy Wasini Pandey, Professor, Department of Geography, University of Delhi, Dean, Works, University of Delhi, Director, Centre for Himalayan Studies, University of Delhi. The Guest of Honour was Shri Ashish Jain, the founder of the Indian Pollution Control Association. The dignitaries emphasised on the value of such a space as 'Sahastradhara,' and drew attention to its holistic and sustainable framework which constitutes an important paradigm of our modern world. The program was followed by a lunch for the teaching and non-teaching staff with vegetables organically grown in this space.

संस्कृति कला केन्द्र

कला और संस्कृति केवल अतीत की धरोहर नहीं, बल्कि हमारी पहचान और भविष्य की प्रेरणा भी है। यह समाज के मूल्यों, परंपराओं और रचनात्मकता का जीवंत चित्रण है, जो समय के साथ विकसित होता है। संस्कृति कला केंद्र और हिंदी विभाग के द्वारा 7 अगस्त 2024 को तीज महोत्सव के अंतर्गत खेल परिसर में झूला झूलने के साथ-साथ मेहंदी प्रतियोगिता एवं पौधरोपण का आयोजन किया गया।
