Sh. Siddharth Verma
Chairman, Governing Body

As Chairman of the Governing Body of Maharaja Agrasen College I am very happy to be associated with the college and it gives me great pleasure to welcome the new batch of students to the academic and social life of this institution.

Maharaja Agrasen College is ranked amongst the best colleges of India by NAAC, NIRF and India Today, and is now well known in the country for its commitment to excellence in higher education. Besides academic achievements, it has set high standards in sports and other co-curricular activities. There is whole new world waiting to be explored through diverse activities available to the students in the college. The college has bagged many laurels in recent times mainly due to the enthusiasm and energy of its students and staff, and the vision and dynamic leadership the management team.

Over the years, the college has grown to be an inspiration for thousands of students who have progressed to further studies and productive employment. I believe that in the months to come Maharaja Agrasen College will scale new heights as an academic institution of repute.

I wish the college, its proactive teaching and administrative staff and all the spirited students my heartiest wishes for the exciting year ahead.

Dr. Sunil Sondhi
Principal

It has been a great privilege for me to be the Principal of Maharaja Agrasen College for almost half of its twenty four years of its existence since 1994. All the days and weeks of these years, I have looked forward to meeting as many as possible of the staff and students of the college.

As we prepare to celebrate the Silver Jubilee of Maharaja Agrasen College during 2018-19 I am proud to say that ours is an institution which is full of opportunity. The strength of many of our courses and the quality of our academic and administrative staff is most impressive. The academic environment at Maharaja Agrasen College is good, and continues to get little better with each year. It is already ranked amongst India's best colleges in the National Institutional Ranking Framework, National Accreditation and Assessment Council, and India Today Best Colleges Survey. With little more work by students and staff of the college there is the opportunity to not only consolidate its already high position but to take the college amongst the top five colleges of the country.

The reason why the college was established and why we are all here is to educate the youth and educate them well. What I expect from the students is that they enjoy learning in Maharaja Agrasen College, that they have ideas that they can put on the table for making things better, and that they sustain a culture of learning where those ideas are implemented in practice. I do hope that our students will be committed to that type of institutional vision; an open and forward moving institution, embodied and embraced by its staff and students.

With the new batch of students entering the college in July 2018, we continue our exciting journey where Maharaja Agrasen College will get stronger as one of the really outstanding institutions of the country.

Ever since its establishment in 1994, Maharaja Agrasen College has undergone a process of continual evolution and growth. With in a brief span of 24 years, the college has earned nationwide recognition and it is matter of proud privilege for us that the college has consistently figured in the surveys of the best colleges in the country for the past four years. In the latest survey of India's best colleges conducted by India Today, Maharaja Agrasen College has secured the 19th rank in Science, 24th rank in Commerce and 30th rank in Art and Humanities colleges, and in adding another feather to the cap, college has been placed at 32nd position in the National Institutional Ranking Framework conducted by Ministry of Human Resource Development, Government of India in India Ranking 2018. The college has also been accredited "A" by NAAC. It has won the first prize in the competitive category of College with Good Practices at 'Antardhvani 2013', the Annual Cultural Festival of the University of Delhi. In terms of infrastructure and facilities, the college has come a long way from the small school building of Mayur Vihar I where it walked its first steps, to the modern, newly constructed and spacious building complex sprawling over ten acres in Vasundhara Enclave.

The new college campus has the latest infrastructure in place in terms of both facilities and furnishings. It boasts of invaluable infrastructural assets like state-of-the-art auditorium, conference hall, a ICT Lab, a computerised library, well equipped laboratories, etc. The classrooms are well-lit, ventilated, spacious and fitted with modern desk units with white boards and projectors to expedite the process of education.

Maharaja Agrasen College is a teaching-learning community with a competent and dedicated team of faculty members and administrative staff. Facilities like Information and Technology Centre, Media Centre, Centre for Civic Education, Centre for Performing Arts and Cultural Studies help in the holistic development of the students. The Abdul Kalam Centre for research is a recent addition which aims to encourage research accomplishments amongst students and faculty members. The college is sensitive about its responsibility towards society and has been sincerely making multiple efforts for students coming from the weaker sections of our social structure. Besides these, the college is also a centre for Indira Gandhi National Open University (IGNOU) and Non-Collegiate Women's Education Board (NCWEB).

The institution believes that the path to individual and collective growth lies in its capability to adapt and accept changes as opportunities. And Maharaja Agrasen college is that vibrant place for the students to express, explore themselves and maximize the opportunities of changing times for an empowered and inclusive development. It inculcates the values of hard work and diligence amongst its students and staff, empowering them to turn challenges into opportunities for a brilliant future. The college community aims at nothing less than being the best and shall continue in its spirit to scale greater heights, and in its efforts to provide the best facilities to the students and staff, it aims to actualize their potentialities.

ICT Centre

The Centre caters to the e-curriculum requirements of computer practicals for various courses of study in the college. Alongside, the centre also runs a dedicated general purpose computer lab where faculty, students and staff can utilize computing facilities at their convenience. The general purpose lab provides a heterogeneous environment with Windows 7, Mac OS X and Linux Operating System. The Centre also provides a secure Wi-Fi network to all the students, staff and faculty members of the college.

Media Centre

The college has a fully functional Media Centre with high definition equipment and in-house professional expertise in order to impart pre-production and post-production training to students of Journalism. Besides, it is also used for film screenings, short film making workshops and conducting seminars and conferences on different aspects of media studies and journalism. Live Projects, Industry Interface programmes are the basic characteristics of Media Centre. We do organize various events in association with Industry partners under aegis of media centre.

Sardar Vallabhbhai Patel Auditorium

The high tech auditorium is housed in a separate complex spread over three floors. It has the capacity to accommodate 700 students. Named after the Iron Man of India Sardar Vallabhbhai Patel, the auditorium is the hub of all cultural and extra-curricular activities at the college. The auditorium witnessed several high-profile events such as Swami Vivekanand Memorial Annual Lecture, Sardar Vallabhbhai Patel Memorial Annual Lecture, Dr. APJ Abdul Kalam Popular Science Lecture Series, 'YUVAAN' the annual cultural fest of the college, several SPIC MACAY performances by International artists notably Polish music and dance artists and Italian Band 'Kora Beat' etc. Prominent dignitaries who addressed the students include Hon'ble Governor of Gujarat, Shri O P Kohli, Hon'ble Deputy Chief Minister of the Government of NCT of Delhi, Shri Manish Sisodia, Hon'ble Minister for Culture of the Government of India to name a few. The auditorium also saw performances by legendary musician Pt. Hari Prasad Chaurasia, Kathak exponent Dr Shovana Narayan, Sarangi Artist Ustad Kamal Sabri and a host of popular artists.

Facilities and Infrastructure

Conference Room

The ultra-modern Conference Room of the College has an excellent sound system, overhead projector and other facilities. The conference room has enabled successful hosting of International Conferences, National Conferences and Students Congress along with facilitating student presentations as a matter of course. The Conference Room was the venue for National Conferences on *Reading Migrations: Fractured Histories, Forged Narratives, City Lives: Spaces and Narratives, Student Driven Research for Inspired Learning in Science and Technology, India's Changing Role in the New World Order, Corporate Social Responsibility: Sports, Olympism and Global Peace, Biodiversity and Climate Change, Media Literacy: Progression and Challenges in Developing Countries,* National Student Academic Congress was also proudly hosted by the college in the previous year.

Vidyottama Girls' Hostel

In any institution, a residential accommodation for students, especially girls, is always an asset. 'Vidyottama' the Girls' Hostel of Maharaja Agrasen College can accommodate around fifty eight (58) students on its three floors and has separate areas for dining and common room on the ground floor. Besides, a pantry has been provided on each floor. The hostel is fitted with several amenities like television, washing machine, water heaters, ironing facilities, electric stove etc. The hostel is Wi-Fi enabled and computers are available for the use of the residents.

Admissions to the hostel take place strictly on the basis of merit. Interested outstation girl students should keep visiting college website www.mac.du.ac.in for information regarding admission to the hostel and other queries.

Sports Facilities

Maharaja Agrasen College provides diverse sports facilities with coaching and support to its students to participate in competitions as well as to pursue interest in sports. The college provides training in Athletics, Archery, Basketball, Badminton, Chess, Cricket, Cycling, Soccer, Korfball, Softball, Volley Ball and Wushu. The Sports Committee of the college, in charge of supervising sports activities, organizes various sports and adventure activities regularly for the students, Teaching Staff and Non-Teaching Staff. The college also organizes its Annual Sports Festival, 'SPARDHA', where inter college sports competitions are held.

With the aim of encouraging the concept of physical fitness among the students and staff-members, the College has a well-equipped gym (MAC-Wellness Centre) with some of the best exercising machines. The gym is accessible to all students and staff-members in the morning hours with an added advantage to the hostel students, since they can access the gym even during the evening. Students may take out time to make the most of the gym facility and burn extra calories for overall fitness.

NSS, ever since its inception in the year 2013 has been working towards the holistic development of the students. Keeping in view the motto 'Not Me But You'- an idea which dates back to the times of Mahatma Gandhi who insisted upon social responsibility, the volunteers registered in NSS unit render community service both inside and outside the college premises. This community service enhances leadership, organizational and management skills among the students. MAC-NSS allows the students to gain perspective on understanding the association of an individual to one's community and hence develop competence in sharing of responsibilities among a larger group.

MAC - NSS volunteers generally work in the college in various research projects, on innovative ideas, with villages, slums and voluntary agencies to complete 120 hours of regular activities during an academic year.

Few of the ongoing projects are:

Project ABHI (Agrasen Baroji Help Initiative) : Maharaja Agrasen College adopted a village, BAROJI, in Mewat, Haryana, in 2013. Students and faculty visit Baroji several times every year and have worked together with the residents of Baroji closely towards the holistic development of Baroji.

'Tassavvur', the Art and Photography Club as the name suggests encourages interest in all aspects of arts and photography for the benefit of the learning community of University of Delhi and the community at large.

Equal Opportunity Cell: This platform of MAC-NSS supports differently-abled, SC/ST members and students from economically weaker sections of its learning community.

Pedal Power Club seeks to maintain physical fitness, explore the great heritage sites of New Delhi and NCR and become more sustainable by decreasing one's environmental impact.

In Agrani mobilizes young learners and encourages them to advance gender equality and women development.

Linked Learning, a program of learning is socially connected, and encourages interest driven ideas to ensure interdisciplinary research opportunities.

Project "Akshar", In Project "Akshar" the MAC-NSS volunteers provide quality education to the children belonging to underpriviledged sections of the society. Approximately 90 students from nearby colonies like Dallupura and Kondli are enrolled in the project. Classes are held in the college premises from 3:30 pm to 4:30 pm. The Akshar team has designed all the necessary teaching aids and a highly interactive pedagogy to teach these children. The results have been highly encouraging.

Library

At MAC, the Library is a holistic space to further augment our intellectual acumen. Housed on two floors, it is well furnished with comfortable chairs and tables for students and teachers. It is well stocked with books, magazines, periodicals and journals to enhance and extend the process of learning. Modern racks are fitted to facilitate book storage and browsing. The entire library is Wi-Fi enabled to allow students access to the internet for their academic development.

Students' Union

The Student Union is the apex academic student representative body of the college formed to work for the welfare of students by coordinating at the University level to actively organize academic and co-curricular events. The Student Union of Maharaja Agrasen College is a democratically elected body. Academic merit, good attendance, sincerity, and leadership qualities present in students are the criteria to be elected for student union.

The Student Union along with the faculty and students Advisory committee works toward the improvement of college infrastructure and facilities in order to enable a better academic environment for improved performance. Student Union brings to the fore the qualities of working in a team, dramatizing innovative ideas and translating it into a vision.

Cultural Council

The Cultural Council is a body of students and teacher members which plans and implements the college cultural activities calendar every year. Fresher's Welcome marks every student's foray into his/her college life. During the Fresher's welcome the first year students are extended a warm welcome and apprised of the significant changes that come with being a part of a college. Every year the College holds its Annual Festival 'YUVAAN' where for three days students engage in various cultural activities. Farewell is organized for the outgoing students to make their memories stronger with the college in numerous activities

At Maharaja Agrasen College, various societies under the Cultural Council provide ample opportunities for students to explore, develop and display their talents.

These societies are:

- 'Nataraj' the dance society
- 'Septune' the music society
- 'Srijan' the arts and craft society
- 'Chakra-view' the debating society
- 'Abhinay' the street play society
- 'Samayantar' the theatre society
- 'Meraki' the english theater society
- 'Markos' the marketing society
- 'North-Easth society
- 'Inquizitive' the quiz society
- 'Qissa' the film making society

SC/ST Cell

SC/ST/OBC Cell in the college works to take care of the needs of students who have taken admission under these categories. This Cell has been established as per the UGC guidelines to provide support to these students. This Cell organizes various workshops and lectures for the students to inform them about scholarships and funding provided by government and various other organizations. The Cell also time to time looks into the needs and grievances of these students. One of the dealing staff is also available in the administrative block to cater to various queries of these students. The Cell has been functioning under the supervision of the Liaison Officer SC/ ST and OBC.

NCWEB

The Non-Collegiate Women's Education Board (NCWEB) teaching Centre at Maharaja Agrasen College tap the potential of its students and provide them with opportunities to build their career and contribute in the process of nation-building. It aims to provide quality education to girls students of surrounding areas.

Centre for Performing Arts and Cultural Studies

The Centre for Performing Arts and Cultural Studies (CPACS) run by the Department of English, Maharaja Agrasen College seeks to promote performing arts and performance and cultural studies through its focus on image, direction, film, censorship, script, multimedia, narrative, play, intelligence, creativity and other related areas. The Centre organized a two months long activity of scripting, shooting, editing and distribution of a short anti-ragging feature film titled Shabad Sambhale Boliye to create awareness against verbal abuse and micro-aggression on the campuses of higher education in India. This year, Bharatmuni's Natyashashtra was the focal point as students and faculty engaged with it proactively. The Centre has also established a cell called LETTER (Learn through Theatre) which held 32 sessions with 40 students of first year on personality development through theatre exercises leading to their review of physical and cognitive development. CPACS also organizes several visits to performing spaces for students amongst which a visit to a performance directed by Deepan Sivaraman, a world-renowned scenographer in the academic session 2017-18 was much appreciated.

Sanskriti Kala Kendra

The Hindi Department has started with a Sanskriti Kala Kendra with the aim of the overall development of the students. Besides giving them bookish knowledge, the centre focuses to inculcate cultural and moral values among students. Maharaja Agrasen College has initiated a long-term educational and cultural exchange program with Tokyo University of Foreign Studies, Tokyo, Japan. Twenty one students accompanied by faculty members visited Maharaja Agrasen College on 22nd February 2016 and later visited Agra and Amritsar. The students and faculty were from the Department of South Asian Studies and Social Education Centre for World Languages, Tokyo University. The Japanese students and faculty appreciated the diversity of Indian Culture and Languages and expressed keen interest in the different subjects of study in the University of Delhi.

Civic Education Centre

The Centre aims for effective promotion of commitment to the Constitution of India and good citizenship in the capital and the country through education. The project is funded by the Government of NCT of Delhi and translates student and teacher materials in Hindi. It initiates and sustains the "Leadership Development Camp" and several such activities in Delhi. In order to create a cadre of ideal educators, the Centre develops and implements Teacher Training Programmes on Civic Education. Creating and implementing Monitoring and Evaluation Mechanisms, publishing research related materials, developing standards and curriculum framework and the implementation of Leadership and Network Training Programmes are some of the goals which have been taken up by the Centre to promote Civic Education in India. The Centre plans to develop and sustain its relationship with other stakeholders – namely the Department of Education, colleges, schools, homes and local government officials – to strengthen civic values in India.

Training and Placement Cell

The Training and Placement Cell at Maharaja Agrasen College is dedicated towards giving its students opportunities to build their career before they have crossed the threshold of the college. The Placement Cell coordinates with the Central Placement Cell of the University of Delhi and conducts placement drives wherein different established companies like Tata Power Delhi Distribution, SP Capital IQ, Accenture, Anhad Edutrain Solutions Pvt Ltd, Urban Clap-Talocity, Digital Web Solutions Pvt Ltd etc., take part for student recruitments. The cell has tied up with Times of India, Indian Railways, Leo Burnett, Macmillian and other such institutions to provide internship opportunities for the students. The cell also organizes workshops and training programmes in order to help students develop their personalities and learn better skills to ensure employability in the competitive job market. It is the mission of the T&P cell to strive to bring in more and more recruiters in order to facilitate maximum placements from the college and establish a benchmark in this righteous pursuit.

College Publications

The academic community of the college is alive to the need of bringing out in house publications. The college publishes a research journal, 'The Indian Journal of Social Enquiry' which has earned a pride of place in the annals of research journals in the country. The Department of Business Economics brings out its annual journal 'BEAM' which gives the students an opportunity to publish and showcase their knowledge and throws light on current business developments. The Department of Journalism regularly published its newsletter 'MAC VOICE'. The entire process of editing and designing is carried out solely by the students, so that they can understand the concept of Journalism from news gathering to its circulation. 'AGRANIKA', the college magazine, mirrors the spirit of Maharaja Agrasen College community. It is a canvas for expressing creativity and exists as a record of college life for a session. It is published annually and is released on the Annual Day in the College.

Environmental Clubs

MAC INSERCH (Maharaja Agrasen College Initiative for Shouldering Ecological Responsibility and Conserving Heritage) is an initiative by the students, teachers and administrative staff of the College who are committed to the cause of environmental and heritage conservation and development. It is led by a strong team of over 25 teaching and administrative staff and 50 student volunteers who work round the year for the realization of the stated objectives of the club.

This initiative was started in 2011 and in a span of seven years, it has made a significant difference in the environmental life of the college by way of planting trees, organizing poster making and best out of the waste competitions, Soup and Salad Party in order to promote organicism, six National Conferences on Biodiversity and Climate Change, conducting Tree Audit for the College, various energy conservation measures and visit to various places of historic interest and ecological importance.

Students can join this movement and contribute a lot by becoming volunteers who would be suitably rewarded at the end of the academic session with commendation certificates and prizes. A Green Gown Award for the best student volunteer is also being instituted from the current academic session.

Trishul Adventure Club

Trishul Adventure Club of Maharaja Agrasen College is named after a group of three Himalayan Mountain Peaks which resemble a Trishul. Challenging experiences help the students promote the development of inner balance, essential for effective communication, solving problem and decision making skills. The students also learn to keep the mountains clean by not littering anything on their way. Participant's horizons are broadened, new challenges come to be relished rather than shunned, perseverance and determination reinforced. Values and attitudes developed in context of shared endeavor help to form a sound basis for responsible citizen. Trust, care, tolerance and willingness to give and support are all encouraged and anti-social behavior is challenged. Opportunities are presented to exhibit and develop effective inter-personal behavior and to work co-operatively and effectively in teams. The experiences in the mountains far from busy city life help the students to understand more deeply about the importance of clean and healthy nature. Trishul Adventure Club had a path breaking Kuari Pass Trek in April, 2017 with a team of twenty five which built a strong foundation for more adventure activities in the College. The club organizes a trek from time to time to imprint such good experiences in their life.

Abdul Kalam Centre

Abdul Kalam Centre is the latest addition in the initiatives taken up by the college. The Centre strives to prepare our students for future competencies and equip them with state-of-the-art infrastructural facilities and able guidance. It serves as a one stop space for nurturing fresh innovative ideas from students/faculties into a well-defined research or practice or a start-up initiative. The Centre aims to provide round the clock infrastructural and IT support as well as brainstorming sessions with faculty/industry persons to refine nascent ideas and may provide financial support to selected ventures. The college in the past academic session has successfully completed 10 innovation projects. Maharaja Agrasen College manages different projects under Star Innovation Project scheme and Innovation Project Scheme, which are fully funded by the University of Delhi.

Star Innovation Projects(SIP): A number of research projects have been initiated under Star Innovation Project. These projects are student-centric research activities under guidance of teachers from different departments and are of three years duration.

Embedded Systems and Robotics Centre

The Embedded Systems and Robotics Centre, MAC has been set up with an aim to provide a platform for training students both in theory and applications of robotics through exciting hands-on application of math, computer science, and engineering principles. The ESRC has been established with a mission to enable effective Embedded systems and Robotics education to students by providing training for students; engaging teachers and students in hands-on experiments with robots.

The Centre saw a series of activities in the academic year 2017 – 18. The centre organised a 5-day hands-on workshop titled 'Programming with Arduino'. ESRC in collaboration with Department of Electronics, Shaheed Rajguru College of Applied Sciences for Women (SRCASW) organised a workshop titled 'Virtual instrumentation in LabVIEW & IoT with Raspberry Pi'. Amongst the list of various achievements, few are - First and Second Prize at Rofsoc- 2018, Deen Dayal Upadhyay along with one month internship in the month of June 2018 at Robotics for Society, JNU, it also won First and Second Prize at Robotics competition in Expo'18, Shaheed Rajguru College of Applied Sciences and Second Prize at Innovix, Sri Aurobindo College.

Internal Quality Assurance Cell (IQAC)

The Internal Quality Assurance Cell (IQAC) was set up in Maharaja Agrasen College, University of Delhi on October 3, 2015 in response to the latest set of guidelines laid down by NAAC for the setting up of the Internal Quality Assurance Cell in higher institutions.The IQAC 2016-17 comprises of the Principal as Chairperson and Dr Maneesha as the Coordinator along with teachers-in-charge, alumni members and representatives from industry. The MAC-IQAC is committed towards enhancing the academic and research environment of the college. In 2015-16, the IQAC had initiated a proactive and meaningful dialogue with all stakeholders of the institute by organizing interdisciplinary workshops, Friday faculty Research Seminar Series and a Seminar on "Practising Quality Culture in Institutions of Higher Education" in the year 2016. A debate 'Shiksha Vyavastha Ka Uddeshya Gunvatta moolyon par aadharit ho?' on Quality Culture was organized by the Department of Hindi under the aegis of its Navchetna Parishad and the key theme of the 4th National Student's Academic Congress was on "Quality Assurance in Higher Education" in which around 45 papers from undergraduate and graduate students, and PhD research scholars were presented on different broad aspects of Quality Assurance for example: Quality Assurance: India and the World, Interface with Technology & Technical Information, and Public-Private Partnerships.

Apart from the above, the Institute has initiated periodical result analysis by the departments followed by remedial measures, has brought in reforms in the conduct of examinations and is committed to raising the bar of quality education. Furthermore, feedback from students is now regularly elicited both in matters of administration and academics. Student feedback after a conference or special talk organized by a department helps departments plan their academic and co-curricular activities to offer a holistic development. Students are the foundation of the institution and their needs and aspirations are factored not only in academic planning but also in administrative reforms.

Departments plan their academic calendar much in advance and ensure that all co-curricular and extra-curricular activities are in tandem with teaching, they are now scheduled for the second half of the semester, during the second half of the week/day. This ensures uninterrupted teaching and timely completion of syllabi. Several suggestions by the NAAC Peer Team are also in the process of being implemented such as ERP solutions (Student Management System) in order to smoothen the interface between the college and all stakeholders, implementing the Choice Based Credit System in both letter and spirit and introducing add on courses.

The MAC IQAC believes in a participatory approach, in engaging all stakeholders in its endeavor to help the institute evolve constantly. Students, parents and alumni are encouraged to give their suggestions, to pro-actively help to take MAC to greater heights.

Procedure for calculation of 'Best Four' subjects percentage

Honours Programmes

I. Arts/ Humanities Programmes

a. One Language (Core/ Elective/ Functional)

b. The subject in which admission is sought (If a Applicant does not include the concerned subject whether studied or not, in 'Best Four' in which he/she is seeking admission in the honours programme, then a deduction of 2.5% will be imposed on the calculated 'Best Four' percentage). For Honours in languages refer to point 6 mentioned below.

c. Any two other academic/ elective subjects as per LIST-A.

Note:

i. If a Applicant doesn't include the subjects given in LIST A in 'Best Four', then a deduction of 2.5% of maximum marks will be levied for each subject for the purpose of calculating 'Best Four'.

ii. All subjects to be included in the calculation of 'Best Four' must have at least 70% theory component of exam. In case, the subject to be considered does not have 70% theory component and 30% practical component, then the marks of theory and practical only shall be converted to 70% and 30%, respectively on pro rata basis. These new marks will then be considered for calculation of 'Best Four'.

The following Discipline subjects must be treated as Academic/ Elective subjects for the purpose of undergraduate admissions. All other subjects offered by different boards may be treated as non-elective.

Arabic	English	Italian	Psychology
Bengali	French	Legal Studies	Sanskrit
Botany	Geography	Mathematics	Sociology
Biology/ Biotechnology	Geology	Persian	Spanish
Chemistry	German	Philosophy	Statistics
Commerce/Business Studies	Hindi	Physics	Urdu
Computer Science/ Informatics Practices	History	Political Science	Zoology
Economics	Home Science	Punjabi	Accountancy

Basis of calculation of Best Four

1. Mass Media Studies will be treated as an academic subject for the purpose of admission to B.A. (Hons.) Journalism (Hindi/ English).

2. In case an applicant has studied elective and core languages, the core language subject will be treated as language, while elective language can be considered as academic/ elective subject.

3. Admission to B.A. (Hons.) Applied Psychology will be based on 'Best Four' percentage as in B.A. (Hons.) Psychology.

4. Admission to B.A. (Hons.) Social Work and B.A. (Hons.) Philosophy will be based on 'Best Four' percentage including one language and three academic/elective subjects as per the above procedure.

5. The applicants must have studied and passed Mathematics at the qualifying exam for admission to B.A. (Honours) in Economics.

6. (a) For admission to Honours in any language programme, advantage of 2% in the 'Best Four' percentage will be given to those applicants who have studied that particular elective language.

   (b) In case, an applicant has not studied a language at qualifying exam and is seeking admission to Honours in that language (except for Honours in English and Hindi, refer (c)), deduction of 5% will be imposed on 'Best Four' percentage.

   (c) For admission to Honours in English and Hindi, the applicant must have studied and passed the respective language in the qualifying exam and should include respective language for calculation of 'Best Four' percentage.

7. University may define any other relevant subjects as an academic/ elective for a particular Honours programme.

II. B. Com. (Hons):

   a. One Language from Part 1 of List C1 + three best subjects out of Part 2 of List C1.

   OR

   One Language from Part 1 of List C1 + any combination of subjects out of Part 2 of List C1, List C2 or any other subject (not listed either in List C1 or List C2). In such a case, the deduction of marks from aggregate percentage of 'Best Four' shall be as follows:

   b. For every subject included from List C2, a deduction of one percent in aggregate percentage of 'Best Four';

   c. For every other subject (not listed either in List C1 or List C2), a deduction of 2.5% per subject in aggregate percentage of 'Best Four'.

   Note:

   i. The applicant must have studied and passed Mathematics/Business Mathematics at the qualifying examination for admission to B. Com. (Hons.).

LIST-A

The following Discipline subjects must be treated as Academic/ Elective subjects for the purpose of undergraduate admissions. All other subjects offered by different boards may be treated as non-elective.

Arabic	English	Italian	Psychology
Bengali	French	Legal Studies	Sanskrit
Botany	Geography	Mathematics	Sociology
Biology/ Biotechnology	Geology	Persian	Spanish
Chemistry	German	Philosophy	Statistics
Commerce/Business Studies	Hindi	Physics	Urdu
Computer Science/ Informatics Practices	History	Political Science	Zoology
Economics	Home Science	Punjabi	Accountancy

Basis of calculation of Best Four

1. Mass Media Studies will be treated as an academic subject for the purpose of admission to B.A. (Hons.) Journalism (Hindi/ English).

2. In case an applicant has studied elective and core languages, the core language subject will be treated as language, while elective language can be considered as academic/ elective subject.

3. Admission to B.A. (Hons.) Applied Psychology will be based on 'Best Four' percentage as in B.A. (Hons.) Psychology.

4. Admission to B.A. (Hons.) Social Work and B.A. (Hons.) Philosophy will be based on 'Best Four' percentage including one language and three academic/elective subjects as per the above procedure.

5. The applicants must have studied and passed Mathematics at the qualifying exam for admission to B.A. (Honours) in Economics.

6. (a) For admission to Honours in any language programme, advantage of 2% in the 'Best Four' percentage will be given to those applicants who have studied that particular elective language.

   (b) In case, an applicant has not studied a language at qualifying exam and is seeking admission to Honours in that language (except for Honours in English and Hindi, refer (c)), deduction of 5% will be imposed on 'Best Four' percentage.

   (c) For admission to Honours in English and Hindi, the applicant must have studied and passed the respective language in the qualifying exam and should include respective language for calculation of 'Best Four' percentage.

7. University may define any other relevant subjects as an academic/ elective for a particular Honours programme.

II. B. Com. (Hons):

a. One Language from Part 1 of List C1 + three best subjects out of Part 2 of List C1.

   OR

   One Language from Part 1 of List C1 + any combination of subjects out of Part 2 of List C1, List C2 or any other subject (not listed either in List C1 or List C2). In such a case, the deduction of marks from aggregate percentage of 'Best Four' shall be as follows:

b. For every subject included from List C2, a deduction of one percent in aggregate percentage of 'Best Four';

c. For every other subject (not listed either in List C1 or List C2), a deduction of 2.5% per subject in aggregate percentage of 'Best Four'.

Note:

i. The applicant must have studied and passed Mathematics/Business Mathematics at the qualifying examination for admission to B. Com. (Hons.).

ii. The computation of 'best four' subjects in the above framework should lead to an effective and unique 'best four' which would be higher than any other combination of 'best four' subjects.

LIST C1 – List of Core Subjects for B.Com. (Hons.)/B.Com.

PART 1 (Language)	PART 2 (Core Subjects)
English	Mathematics
Hindi	Accountancy
	Business Studies / Commerce
	Economics

Biology/Biotechnology	History	Political Science	
Chemistry	Home Science	Psychology	
Computer Science/Informatics Practices	Legal Studies	Sociology	

III. B.A. Programme:

a. One Language (Core/Elective/Functional)

b. Any three elective subjects can be chosen. A deduction of upto 5% on 'Best Four' percentage may be imposed if there is a change of stream, which means either from Commerce stream to Arts/Humanities/Social Sciences or from Science stream to Arts/Humanities/Social Sciences..

c. One non-listed (LIST A of Annexure-II of University Bulletin) subject can be included in calculation of 'Best Four' without any deduction.

d. For admission to B.A. (Vocational) only, related vocational subjects may be treated at par with academic/elective subjects and upto two vocational subjects which are in relationship with the programme of study may be included for the calculation of 'Best Four'.

e. If an applicant opts for Modern Indian Language (MIL) (Except Hindi) as a subject, an advantage of up to 10% may be given in 'Best Four' in those colleges where MIL is offered as a subject.

Note:

i. The college will notify the actual deduction upto 5% for change of stream beforehand by uploading on their web site. Student are advised to visit college website www.mac.du.ac.in for detailed information.

ii. If more than one non-listed subject is included for calculation of 'Best Four', a deduction of 2.5% each in 'Best Four' may be levied in addition to deduction due to change of stream, if any.

IV. Science Programmes

a. The Basis of Selection for Mathematical Sciences is listed in *Section 5.1.4* and section 5.1.5 of the University bulletin. (i.e. Selection will be made on the basis of best four academic subjects including One Language, Mathematics, Physics, Chemistry / Computer Science / Informatics Practices. The students of other streams: one Language, Mathematics with two Academic Subjects List (LIST A) with a deduction of 2%.) All the subjects to be included for Basis of Selection (PCM/PCB/PCMB) must have at least 70% theory component of examination. In case, the subject to be considered does not have 70% theory component and 30% practical component, then the marks of theory and practical only must be converted to 70% and 30% , respectively on pro rata basis. > "Literature is the one place in any society where, within the secrecy of our own heads, we can hear voices talking about everything in every possible way."

The Honours course in English at Maharaja Agrasen College was introduced in 1997. It aims to provide an exposure to a spectrum of global literatures and students are trained in various methods of literary analysis. The department has consistently provided opportunities to students for interacting with some of the most renowned scholars, critics, artists and thinkers. It has systems in place to ensure delivery of quality teaching, transparent mechanisms for internal assessment and structured preparation for University examination as well as orientation for future preparation for diverse fields and professions. Furthermore, it has a full calendar of activities aimed towards making students connect not just with the literary world but also to the larger world beyond their classroom ambit. The Department has its own departmental library as well as a rich reserve of resource in its Centre for Performing Arts and Cultural Studies (CPACS). The Department of English Co-curricular Student Society 'ACTIVE' lives up to its name each year by organizing and participating in many well attended events under the guidance of the teachers.

The co-curricular events include The Annual Lecture Series, Literature Festival, Meet the Author Series, Workshops, Excursion to places of cultural interest. In the academic year 2017-18, the department organized a trip to the historically and culturally vibrant town of Udaipur and the spectacular fort of Kumbhalgarh. Heritage Walks, exhibitions, theatre and movie viewing supplement class-room teaching on a regular basis. Last year, an English Proficiency Workshop was conducted to enhance the overall language proficiency of students. The annual literature festival 'Literati' included exciting and enriching events thereby promoting exchange of peer learning ideas in an interactive and fun-filled environment. The Annual Lecture

Series featured Prof. Savita Singh, from the School of Gender and Development, IGNOU, Delhi. In Meet the Author Series on the topic 'Biography and Popular Imagination', three eminent biographers Mr. Vijay Lokapally, Mr. Yasser Usman and Ms. Sheela Reddy gave a glimpse to students into the world of writing and publishing by talking about their inspiring books. Furthermore, Prof Marcel Courthiade, Professor & Head of Romani Studies, Department of South Asian Languages, INALCO, Paris, gave a scintillating lecture on the history of Romani literature.

The Department has been organizing interdisciplinary conferences: International Conference Deterritorialising Diversities: Cultures, Literatures and Languages of the Indigenous (February, 2013); National Conference City Lives: Spaces and Narratives (February, 2016); and National Conference Reading Migrations: Fractured Histories, Forged Narratives (March, 2017). With the introduction of the CBCS curriculum, the department has successfully offered Generic Elective papers on 'Text and Performance', 'Academic Writing' and 'Media and Communication Skills' as well as 'Creative Writing' and 'Technical Writing' as Skill Enhancement Courses, eliciting very enthusiastic response from students of various streams. The Department also offered a variety of value addition Discipline Specific courses including Literature and Cinema, Literary Theory and Travel Writing. The students of the Department of English have also been proud winners at several inter-college and intra-college events. Several students of the department have been successful in procuring internships and jobs in prestigious organizations. The Department of English hopes to continue with its endeavors in the coming years and provide holistic training and support to its students to help them evolve and succeed.

DEPARTMENT OF JOURNALISM

> If you really want to do something constructive and responsible for society, Journalism as a profession could be just the right thing for you. Come forward to utilize your creativity.

The B.A (H) Journalism course aims at foregrounding the role of journalism in a democracy. It helps the students to refine their linguistic and communicative skills. It provides an insight into the socio-economic and political dimensions of living in a globalized world today. History of journalism and printing, social psyche and mass culture, news making, advertising and public relations are all covered for a solid foundation. In a nutshell, the course exposes the students to the core skills, challenges and rewards, integral to the profession.

To provide first-hand experience of the real professional and social life the department organizes Community Development Programmes on various occasions. Our students visit rural communities and try to understand their problems, opinions and the requisite of the societies. Department organizes talks, lectures and symposiums on various issues, which exposes students to the words of eminent achievers in the media industry. Apart from inviting media professional to the college, the students of the college are taken to various media houses to help them in becoming acquainted with the industry, its functioning and requirements.

The Department organizes Annual Journalism Festival 'Yatharth' every year where students showcase their talent of various media streams. The Department regularly publishes its newsletter, 'MAC VOICE'. The entire process of editing and designing is carried out solely by the students, so that they can understand the concept of Journalism from news gathering to circulation.

The department has a state-of-the-art Media Lab for providing practical exposure to the students to make their career in Modern Media Industry with the help of latest technological equipments in all media streams. We have a Studio Floor, post-Production Lab, Audio Studio and Professional Lighting Equipments for practical exposure in the area of production. Post-Production Studio is equipped with latest Video-Editing Software i.e. FCP. The hi-tech Auditorium of the college is helpful to the students of journalism. They can preview their audio-visual projects (documentaries, short films etc.) in the auditorium which has a capacity to accommodate 700 students at a time.

B.A. PROGRAMME

> BA. programme under C.B.C.S. is an interdisciplinary and multifaceted programme it lays the foundation of success for students by equipping them with knowledge and skills of different types.

The B.A. programme under C.B.C.S. is a flexible, inter disciplinary and choice based programme to suit the needs and interest of the students. The course aims at imparting the intellectual and communication skills necessary for a successful career in the world outside . The B.A. programme committee at Maharaja Agrasen College is motivated towards providing opportunities for holistic development of students with academics at the centre. Students of this course can choose to study from a multitude of subjects ranging from Economics, Political Science, History, Mathematics, OMSP, BDP, Hindi, English etc. The course is suitable for students of various backgrounds. The course curriculum is designed to equip students with skills necessary for employment in the public as well as private sector. The course curriculum is also very helpful for students preparing for competitive examinations.

This course is taught by teachers of various backgrounds (eg. Economics, Political Science, History, Hindi, English, Math, Computer Science etc.). This gives an opportunity to students to interact with faculty of different background. This is also an opportunity for students to acquaint themselves with wide range of issues and subjects to enrich their knowledge. No other course can offer such kind of opportunities to students.

"LAKSHYA", the society of B.A. programme students is a very vibrant and active society of college. It is a platform for B.A. programme students to share and show their ideas and talent in various spheres of life. "LAKSHYA", the society under the aegis of B.A. programme committee holds many activities round the year. It organises debates, quiz competitions, documentary presentations etc. Besides this, students also have the opportunities to go for educational tours and excursions. B.A. programme is a very successful course. Students of this programme are very active at college and university level.

B. Com (Hons.)

DEPARTMENT OF COMMERCE

B.Com (Hons.) has been the flagship programme of Delhi University. Here, what you study in the classroom is directly applicable to your work life and the workplace.

The commerce programme emphasizes on an interactive teacher-learner environment necessitated by the use of presentations, role plays, case studies, group discussions, educational excursions, film screenings, and the use of e-resources in teaching of subjects like business laws, cyber laws, business economics, and e-filing of returns.

Besides pursuing higher studies in the domain of commerce itself, the B.Com (Hons) is a valuable preparation for a variety of career options in entrepreneurship, marketing, green marketing, e-commerce, advertising, insurance, media, school and university teaching, business research, consultancy, law, civil services etc.

The commerce department is active in organizing talks, discussions, workshops, outstation trips, as well as their two day annual festival "CRUSADE" for holistic development of the students. Many of our students are also active in successfully managing their participation in theatre, classical music and dance, art and photography, and NSS along with their academic pressures. A team of young and enthusiastic professors await you to serve as your friend, philosopher, and guide.

> Mathematics is an exciting field and the department welcomes all who wish to take on a Journey through numbers to pursue challenging and rewarding careers.

DEPARTMENT OF MATHEMATICAL SCIENCES

The Department of Mathematical Sciences seeks to enhance the student's knowledge of mathematical, quantitative and scientific principles that can be applied to various fields of applications to enable analytical decision making. The course aims to create a solid foundation for assimilation of mathematical concepts and structures and build mathematical skills like creative, logical and analytical thinking.

This well structured programme enhances students employability skills and also their ability to articulate these skills. The subject of mathematics is gaining greater importance in the complex and rapidly changing world today. Data Analytics experts, Actuaries, Statisticians, experts in computation skills are in great demand and it requires a solid foundation in mathematics. The study of this course shall be of immense help for pursuing a career in fields like Economics, Physics, Engineering, Management Science, Computer Science, Operational Research, Mathematics and several others. The department organizes various lectures to provide exposure to students about newer development in the subject. Workshops are also conducted to enhance skills which are helpful in securing better avenues in the highly demanding job-market.

> Students, who are good at mathematics and physics with inventive and creative mind, can sure be able to shine in the field of electronics. "

The prime aim of the Department of Electronics is to impart quality teaching & learning and provide research facilities in the field of electronics to meet the increasing demand of highly skilled technical personnel in the electronics industry.

B.Sc. (H) Electronics course is designed to enhance the student's understanding of scientific principles and to further develop their technical skills by hands on designing and testing of electronic circuits and systems similar to the that ones are used in industry.

In its endeavor to keep itself abreast with new knowledge and developments in the field, the department routinely organizes workshops and training programs for the students and faculty members.

B.Sc. (H) Electronics Course:

The course curriculum is a perfect blend of papers in physics, mathematics and computer with special emphasis on electronics. Students are also trained in fundamental computational skills to use techniques and software for simulation, data analysis and visualization more efficiently with emphasis on integrated approach to electronics and computer science, taught using substantial laboratory experiments in areas such as analog, digital, signal and systems, communication, opto electronics, microprocessor and micro-controller.

Electronics graduates and post graduates have a bright future ahead of them in various areas like Design, Development, Fabrication, Inspection, Quality control and Maintenance.

Activities during the academic year 2017-18:

The student's society of the department "TechTitan" organized its annual festival "ElectroZeal - A Culmination of Talents!" comprising of both academic and cultural events on 26th of February 2018. The ElectroZeal – 2018, comprised of 08 formal and informal events to bring to fore the various dormant potential of students. The event attracted more than 200 teams in various events of the festival from different colleges of the University of Delhi. About 350 students from various colleges across the Delhi- NCR region showcased an amazing array of talents.

Workshops and Seminars: The department organized a seminar cum workshop on the topic "Image Processing using OpenCV & Python" so that the students get the knowledge by listening to the experts and give exposure beyond their curriculum.

A one day seminar on "Recent developments in electronics and Industrial applications" was held on 15th March 2018. The students interacted with academicians and industrialists and shared their real time experiences related to the current developments in the electronic industry. A workshop cum demonstration of "Precision Agricultural Techniques" was organized by the students of the department from 19th-21st January 2018, at Village Baroji, Haryana for the benefits of the farming community.

In an attempt to make our students more sensitized towards environmental issues and conservation of wildlife, the department in collaboration with History and Economics Departments of the college organized a National Conference on "Biodiversity and Climate Change - Wildlife Ecology, Conservation and Iconography" from 8th – 10th February 2018.

The department of Electronics hopes to continue with its endeavors in the coming years and provide holistic education and support to its students.

B.Sc. PHYSICAL SCIENCE

> "B.Sc Physical Science is a versatile course. It is both fascinating and provides wider scope for analytical thinking, creativity, fundamental research and of course employment."

The course B.Sc. in Physical Science is much sought-after on account of its unique curriculum design, job oriented nature, and usefulness. The course is designed to suit to the requirements of students willing to pursue masters course in Physics, Mathematics, Computer Applications, Information Technology, Chemistry and other allied subjects. The curriculum has components of mainly Physics, Mathematics and Electronics. Students are given the option to choose one stream either from Computer Science or Chemistry. As per the choice made, the course will be named as B.Sc. Physical Science with Computer Science or B.Sc. Physical Science with Chemistry. Also, it has a minor component of Biological and Environmental Science as well. The college has huge infrastructure in terms of laboratory, Information Communication and Technology (ICT), Workshops, modern Classrooms and highly accomplished faculty members. The Department started a new lecture series called "Dr. APJ Abdul Kalam Popular Science Lecture Series" to apprise the students and teachers on recent developments in Science. The topic of the inaugural lecture was "Hundred Years of General Relativity: How it change the worldview" and was delivered by Shri Biman Basu, Scientist (Retd), CSIR and Ex-Editor, Science Reporter. The annual fest of the department 'Scintilla' was organized which provided a forum to students to engage in various activities aimed at their overall development.

The course is much in demand as it lays a strong foundation for higher studies in Physics, Electronics, Mathematics and either Computer Science or Chemistry. The concerned departments work together to lend guidance and skills that make the students more promising and employable. In the past, the students have secured good placements through the central placement process of the University. The course

serves as a springboard for careers in the fields of Nanotechnology, Material Science, Electronic Science, Computer applications, Information Technology, Atomic and Nuclear Physics, Finance and Analytics etc. Several Institutions of excellence like Tata Institute of Fundamental Research, National Physical Laboratory, Indian Space Research Organization, Indian Metrological Department, IITs, NITs, IISERs offer promising opportunities. Also, students of B.Sc. Physical Science have been successful in U.P.S.C and S.S.C, Banking Services, Indian Air Force etc. Needless to say, the versatility of this course makes it one of the most popular courses among aspiring students.

ADVANCED DIPLOMA IN TV PROGRAMME AND NEWS PRODUCTION

> « Media industry needs more 'skilled' workforce, NSQF qualified learners will be able to meet the challenges offered by contemporary media industry. »

The curriculum of this course is designed to equip the students with an intellectual and inter-disciplinary approach that prepares them for the Industry. The learning process aims to strike a balance between the theoretical and practical approach to the field. Syllabus of the course will be in alignment with National Occupational Standard of the Sector Skills Council and NVEQF / NSQF. Syllabus has been developed in consultation with the industry professionals, academicians & media & entertainment sector skill council. In order to make education relevant and to create 'industry fit' skilled workforce, the college will be in constant dialogue with the industry, so that they remain updated on the requirements of the workforce in the industry.

The course offers credit-based modular programmes, wherein banking of credits is permitted so as to enable multiple exit and entry. This would enable the learner to seek employment after any level of certification and join back as and when feasible to upgrade her/his qualification/skill competency either to move higher in her/his job or in the higher educational system. This will also provide the learner an opportunity to move from vocational stream to general stream and vice-versa, subject to fulfilling the entry qualifications.
