Mr. Atul Kumar Jain
Chairman, Governing Body

*Where the mind is without fear
and the head is held high,
Where knowledge is free*

...

Into that country, my Father, let my country awake.

This prayer by Rabindranath Tagore is the dream of many visionaries who wanted to create an ideal India. As India completed its 75 years of Independence and has stepped into the next epoch, Tagore's words have become the aim that India wants to achieve. The University of Delhi, through the amendments in the curricula, the changes in the admission process and various important steps has begun to nurture this dream.

At Maharaja Agrasen College too, new steps; centered on improving the learning process; are being taken. Setting up of Smart Classrooms, procurement of new projectors, digitization of the library and many such measures will help to impart quality education to the students. This year the college is one of the nodal centers of the University of Delhi for ECA Admissions. This, along with the project of building of tactile path, procurement of tandem bikes and normal bikes and other infrastructural improvements are steps to provide an inclusive and accessible education system.

The new entrants of the session 2022-23 are lucky as they will get a chance to ensure their classes in the physical mode soon after taking admissions. The pandemic had been a hindrance in the smooth conduct of classes for the past two and half years.

I congratulate the new batch as they enter into our NAAC A graded institution. I welcome you all to our institution and bless you that you will achieve your dreams in the teaching-learning environment provided by Maharaja Agrasen College, and thereby, achieve the dream of making India no. 1.

Best Wishes

Mr Atul Kumar Jain
Chairman, Governing Body

Prof. Sanjeev Kumar Tiwari

Principal (Offg.)

'Change is the only constant' is an age-old adage, and even more pertinent now as we keep pace with the rapid progress. In order to prepare and groom students for the new demands of the economy and society, it is imperative that education be in sync with the needs of the future. We are a part of this milestone shift to National Education Policy 2020 which is being introduced this year to ensure after students' preparedness as skilled and sensitized citizenry ready to take on the challenges that await them. NEP 2020 offers a pertinent blend of understanding our indigenous practices and integrating technology and research. Tradition and modernity are the foundation on which the Undergraduate Curriculum Framework 2022 rests, offering students flexibility not just in terms of entry and exit but also offering plethora of options as major and minor credits as per their interest thereby enhancing both inter and multi disciplinarity to ensure holistic growth and development. Academic Bank of Credits will give students greater flexibility to study in more than one college and gather skills and avail opportunities as per their needs and interests.

We welcome you as the first batch of the NEP 2020 framework at Maharaja Agrasen College. You will find a congenial intellectually stimulating environment which will help you traverse through a web of choices in disciplines and learning experiences. Experienced faculty, supportive administrative staff along with encouraging seniors under the able guidance of a committed Governing Body will ensure that your educational journey with us is stimulating and fruitful. Besides, state of the art infrastructure situated in a verdant 10-acre campus with easy accessibility via metro connections, well equipped laboratories and ICT facilities along with learning spaces in a well-stocked library provide a comfortable and safe environ to stimulate your growth. A 58 bed 'Vidyottama' MAC girls' hostel is a boon for outstation female students and a gym and sports field ensure physical fitness. Smart interactive classrooms, recording studio, committee and conference rooms along with a 650-seater air-conditioned auditorium are just some of the features that we take pride in. The Abdul Kalam Centre fosters student driven research and offers several short-term courses to ensure that you are equipped with the right skills. We believe in holistic development and offer several opportunities for students to participate in community extension activities via NSS and NCC. We hope that each one of you will avail every opportunity that is being offered and graduate as sensitized citizens of our great nation, ready to contribute in the best possible way.

Prof Sanjeev K Tiwari
Principal (Offg.)

COLLEGE PROFILE

Maharaja Agrasen College (MAC), believes in nurturing minds to imbibe learning in performance by imparting knowledge while exploring recent innovative and technical pedagogies. Our college has excelled in almost every field and has successfully earned grade 'A' as per NAAC. During the pandemic, MAC worked on providing a favourable online teaching-learning environment by designing and developing the online learning portal, organising faculty development programs, workshops, seminars and webinars. While focusing on a holistic approach towards teaching-learning techniques, MAC successfully conjoined moral learning and richness of the latest technology. In continuation with its nation-wide fame, in the latest survey of India's best colleges conducted by India Today and Nielson Company, Maharaja Agrasen College has secured 28th rank amongst educational institutions nationwide. And in adding yet another feather to its cap, the college has been placed at position 48 in the National Institutional Ranking Framework conducted by Ministry of Human Resource Development, Government of India in India Ranking 2021.

In MAC, every course gives a niche to its students' creativity and intellectual richness, and most of our alumni have accomplished remarkable positions in various fields. The college won the first prize in the competitive category of College with Good Practices at 'Antardhvani 2013', the Annual Cultural Festival of the University of Delhi.

The college has one of the best infrastructures in terms of both facilities and furnishings. It has smart classrooms with NET-enabled interactive panels, auditorium, conference halls, a library with e-journals, course-specific laboratories and ICT lab, gymnasium, girls hostel etc.

Various centres of different departments like Media Centre, Centre for Civic Education, Centre for Performing Arts and Cultural Studies provide value addition towards holistic development of the students. The Abdul Kalam Centre for research and Vivekananda Study Circle are recent additions to a team of student faculty research while building a positive research culture supporting students and faculty members. The college is also a centre for Indira Gandhi National Open University (IGNOU) and Non-Collegiate Women's Education Board (NCWEB).

Our responsibility towards society has led us to have student faculty associations in the form of NSS and its projects like AKSHAR, SYAHI, ABHI, SAMARTHYA, etc. and also the Girls NCC as its latest action program.

The Placement Cell offers various opportunities to interact with visiting companies in the college campus where large number of students have been benefitted.

MAC has been nurturing the creativity and potential of its students by allowing them to express and explore themselves to latest innovative techniques. Supporting this, our faculty religiously inculcates the values of uprightness, hard-work, sincerity and diligence amongst its students. The college is sensitive towards weaker sections of society and has always created equal opportunities for all students.

The institution is a staunch believer that the path to individual and collective growth lies in its capability to adapt and accept changes as opportunities for future achievements.

We aim nothing less than being the best and shall continue in its spirit to scale greater heights in the coming years!

ICT Centre

The Centre caters to the e-curriculum requirements of computer related practical of various courses in the college. Alongside, the centre also runs a dedicated general purpose computer lab where faculty, students and staff can utilize computing facilities at their convenience. The general purpose lab provides a heterogeneous environment with Windows 7, Mac OS X and Linux Operating System. The Centre also provides a secure Wi-Fi network to all the students, staff and faculty members of the college.

Media Centre

The college has a fully functional Media Centre with high definition equipment and in-house professional expertise to impart pre-production and post-production training to students of Journalism. Besides, it is also used for film screenings, short film making workshops and conducting seminars and conferences on different aspects of media studies and journalism. Live Projects, Industry Interface programmes are the basic characteristics of Media Centre. The College organizes various events in association with Industry partners under the aegis of the media centre.

Sardar Vallabhbhai Patel Auditorium

The high tech auditorium is housed in a separate complex spread over three floors. It has the capacity to accommodate 700 students. Named after the Iron Man of India, Sardar Vallabhbhai Patel, the auditorium is the hub of all cultural and extra-curricular activities at the college. The auditorium has witnessed several high-profile events such as Swami Vivekanand Memorial Annual Lecture Series, Sardar Vallabhbhai Patel Memorial Annual Lecture Series, Dr. APJ Abdul Kalam Popular Science Lecture Series, 'YUVAAN' the annual cultural fest of the college, several SPIC MACAY performances by International artists notably Polish music and dance artists and Italian Band 'Kora Beat' etc. Prominent dignitaries who addressed the students include Vice President of India Shri M. Vankiaiah Naidu, Hon'ble Governor of Gujarat, Shri O P Kohli, Hon'ble Deputy Chief Minister of the Government of NCT of Delhi, Shri Manish Sisodia, Hon'ble Minister for Culture of the Government of India to name a few. The auditorium also saw performances by legendary musician Pt. Hari Prasad Chaurasia, Kathak exponent Dr Shovana Narayan, Sarangi Artist Ustad Kamal Sabri and a host of popular artists.

Conference Room

The ultra-modern Conference Room of the College is equipped with large size, ultra-high resolution interactive panel, an excellent sound system, overhead projector and other facilities. The conference room has enabled successful hosting of International, National Conferences and a series of Students Congresses along with facilitating student presentations. The Conference Room has been the venue for several National Conferences, namely, Indian Popular Fiction: Redefining the Canon, Higher Education Institutes: Knowledge Organisations, Reading Migrations: Fractured Histories, Forged Narratives, City Lives: Spaces and Narratives, Student Driven Research for Inspired Learning in Science and Technology, India's Changing Role

in the New World Order, Corporate Social Responsibility: Sports, Olympism and Global Peace, Biodiversity and Climate Change, Media Literacy: Progression and Challenges in Developing Countries and many more.

Vidyottama Girls' Hostel

Vidyottama, the Maharaja Agrasen College hostel offers a safe, secure, and comfortable residence for girls. It offers accommodation for 58 students on three floors with separate areas for dining on the ground floor. Each floor has a pantry with water cooler, washing machine, microwave, ironing facilities, induction stove etc. There is a separate recreational area with a television and provision for indoor and outdoor games as well. The hostel is Wi-Fi enabled and computers are available for the use of the residents.

Admissions to the hostel take place strictly on the basis of merit and the reservation norms are adhered to. Interested outstation girl students should check the college website www.mac.du.ac.in regularly for information regarding admission to the hostel and other queries.

Sports Facilities

Maharaja Agrasen College provides diverse sports facilities with coaching and training in Athletics, Archery, Basketball, Badminton, Chess, Cricket, Cycling, Soccer, Korfball, Softball, Volley Ball and Wushu. The Sports Committee of the College, is in charge of supervising sports activities and organizes various sports and adventure activities regularly for the students, teaching staff and non-teaching staff. The college also organizes its Annual Sports Festival, 'SPARDHA', wherein inter college sports competitions are held. With the aim of encouraging the concept of physical fitness among the students and staff-members, the College has a well-equipped gym (MAC-Wellness Centre), which is accessible to all students and staff-members in the morning hours with an added advantage to the hostel students, since they can access the gym even during the evening. Our future projects

are: 1. Lawn Tennis court with synthetic turf. 2. Viewer's gallery along basketball court. 3. 10 m pistol shooting range. 4. Aarogyam: Herbal garden with yoga and meditation parks and an open gym.

National Service Scheme (NSS)

MAC - NSS, ever since its inception in the year 2013 has been working towards the holistic development of the students. Keeping in view the motto, 'Not Me But You' - an idea which dates back to the times of Mahatma Gandhi who insisted upon social responsibility, the volunteers registered in MAC - NSS unit render community service both inside and outside the college premises. The community service enhances the leadership, organizational and management skills among the students. MAC - NSS allows the students to gain perspective on understanding the association of an individual to one's community and hence develop competencies in sharing of responsibilities among a larger group. MAC - NSS volunteers work in various research projects, on innovative ideas, with villages, slums and voluntary agencies to complete mandatory 120 hours of regular activities during an academic year. Few of the ongoing projects are: Project ABHI (Agrasen Baroji Help Initiative) : Maharaja Agrasen College adopted a village, BAROJI, in Mewat, Haryana, in 2013. Students and faculty visit Baroji several times every year and have worked together with the residents of Baroji closely towards the holistic development of Baroji. 'Tassavvur', the Art and Photography Club as the name suggests encourages interest in all aspects of arts and photography for the benefit of the learning community of University of Delhi and the community at large. Samarthaya , the Equal Opportunity Cell: This platform of MAC-NSS supports specially-abled, SC/ST members and students from economically weaker sections of its learning community and works for equal opportunities, equal rights and respect of each person. Pedal Power Club seeks to maintain physical fitness, explore the great heritage sites of the Delhi and NCR and become more sustainable by decreasing one's environmental impact by raising awareness by riding bicycles and reducing air pollution. Agrani mobilizes young learners and encourages them to advance gender equality and work towards women development, respect of each gender is the main motto of Agrani. Project AKSHAR, is all about imparting education, MAC-NSS Coordinator and student volunteers in this project deliver quality education to the underprivileged children in the vicinity. Approximately 60 to 90 students from nearby slum areas of Dallupura and Kondli are enrolled in this project. A very well designed structure along with all the necessary teaching aids and a highly interactive pedagogical technique are used by the Team AKSHAR. Parent teacher interactions and tests are held regularly to evaluate their progress. The results have been highly encouraging. Syaahi, the writing club of MAC - NSS gives the freedom to the volunteers to express their thoughts on social causes, in form of slogans, poems, shayaris. Sanjaal, the tech wing of MAC - NSS handles the all tech related works of every event, like making posters, photography, presentations, on field tech work, etc and also Sanjaal is itself segregated in 3 sub teams to handle the different social media handles of MAC - NSS, such as the Instagram, Twitter, YouTube and Facebook. Swachhata, works to make the dream of Mahatma Gandhi ji of 'Swachh Bharat', a reality, which got a great push by the honorable PM's initiative of 'Swachh Bharat Abhiyan'.

National Cadet Corps (NCC)

NCC is the youth wing of the Indian Armed Forces with its headquarters in New Delhi. NCC is Tri-Services Organization comprising the Army, Navy and Air Wing, engaged in grooming the youth of the country into disciplined and patriotic citizens. With its vision to empower volunteer youth to become potential leaders and responsible citizens of the country; it is open to school, college and university students all over India. Discipline and unity are the way of life and with this very motto our prestigious college has introduced NCC Girls unit of Army Wing with the company strength of 160.

At present we have about 100 girl cadets and the unit has been doing different activities such as cleanliness drive, tree plantation, adoption of statues for maintenance, organising different events like expert lecture, international yoga day, environment day etc. Despite being the new raising our cadets are doing very well and they have been selected for All India Annual NCC Trek to Darjeeling and Ajmer and also participated in PM Rally. Cadets are given institutional training in the college. Our cadets have also been selected for National Thal Sainik Camp and Independence Day Camp and are undergoing training at present.

Library

At MAC, the Library is a holistic space to further augment our intellectual acumen. Housed on two floors, it is well furnished with comfortable chairs and tables for students and teachers. It houses more than 44668 books and 135000 e-books on login bases and 5000 e-journals and other important e-resources related to Science and Technology, Social Sciences, Arts and Humanities, Commerce and Management. The library has around 200 (CD/DVDs) audio-visual collection. The library is fully managed by ALICE FOR WINDOW (library automation software). The library is subscribed with N-LIST (National Library and Information Services Infrastructure for Scholarly Content) which enables the users to access more than 5000 e-journals and e-books through a login username and password.

Students' Union

The Students' Union is the apex academic student representative body of the college formed to work for the welfare of students by coordinating at the University level to actively organize academic and co-curricular events. The Students' Union of Maharaja Agrasen College is a democratically elected body. Academic merit, good attendance, sincerity, and leadership qualities present in students are the criteria for being elected to student's union.

The Students' Union along with the faculty and students Advisory committee works toward the improvement of college infrastructure and facilities in order to enable a better academic environment for improved performance. Student Union brings to the fore the qualities of working in a team, dramatizing innovative ideas and translating it into a vision.

Student Advisory

Student Advisory Committee is committed to the cause of guiding the students' council, and also offer plethora of opportunities to students to participate in academic and other curricular activities. Student Advisory Committee organized a two-day National Student Academic Congress on 3-4 February 2022 on the theme of "Power of Education." Following the earlier chapters of the Congress, this present chapter discussed the various dimensions of education within the Indian context. Enumerating on how knowledge functions as power within our quotidian existence, the Congress conducted over two days and spread over six sessions discussed and deliberated on the history, policies, identity politics, and pedagogical shifts in teaching, learning, and syllabus formation as underscored in the National Education Policy 2022 and through past practices. Whether it was in terms of grappling with newer modes of technologies and refashioning our interface with textual pedagogies or in remembering the modes of educational systems of ancient times, this present chapter of the National Student Academic Congress was a timely intervention as it sought to give voice to the many changes that had occurred in the field of education over the past two years because of the pandemic. Students from the undergraduate and postgraduate courses and research scholars from across the country participated in this Congress and shared their views on education so as to prise open the locked doors of our socio-political, cultural, and historical imaginaries.

Extra Curricular Activities

Extra Curricular Activities form a vital part in the holistic development of the young minds. At Maharaja Agrasen College, various cultural activities are conducted under the ambit of the ECA Committee, a body of faculty members. The students organise and participate in various activities either through the Cultural Council, a group of students inducted by the ECA Committee, or through the cultural societies. The cultural societies at Maharaja Agrasen College are:

- 'Nataraj' – The Dance Society,
- 'Srijan' – The Arts and Craft Society

Smart Class Rooms

Maharaja Agrasen College added another feather in its cap and paved way for next generation teaching-learning system by creating six smart classrooms in its premises. The smart classrooms are in line with the college's aim of providing holistic and quality education to all its students.

These classrooms will enhance virtual learning and teaching environments by offering real-time e-learning ambience, with help of audios and videos, multimedia images, online web conferences, PPT presentations, 2D & 3D animations, etc. This leads to the emergence of a more inclusive and

interactive teaching-learning scenario. This new age teaching-learning system will help in coalescing virtual and in-classroom teaching methodologies in multiple and innovative ways to afford easy accessibility for all. The smart classrooms were inaugurated by Vice Chancellor of University of Delhi, Prof P.C. Joshi on 10 September 2021 in presence of Dean of Colleges, Prof Balaram Pani, Principal, Prof Sanjeev Kumar Tiwari and other staff members of the college.

Sanskriti Kala Kendra

The Hindi Department had started a Sanskriti Kala Kendra with the aim of the overall development of the students. Besides giving them academic knowledge, the centre focuses to inculcate cultural and moral values among the students. Maharaja Agrasen College has initiated a long-term educational and cultural exchange program with Tokyo University of Foreign Studies, Tokyo, Japan. Apart from that centre organises various educational trips, Cultural Exchange Programmes and Seminar/ Symposium / Experts Lectures on Socio-cultural issues for overall development of the students.

Civic Education Centre

The Centre aims for effective promotion of commitment to the Constitution of India and good citizenship in the capital and the country through education. It initiates and sustains the "Leadership Development Camp" and several such activities in Delhi. In order to create a cadre of ideal educators, the Centre develops and implements Teacher Training Programmes on Civic Education. Creating and implementing 'Monitoring and Evaluation' Mechanisms, publishing research related materials, developing standards and curriculum framework and the implementation of Leadership and Network Training Programmes are some of the goals which have been taken up by the Centre to promote Civic Education in India. The Centre plans to develop and sustain its relationship with other stakeholders – namely the Department of Education, colleges, schools, homes and local government officials – to strengthen civic values in India. The Centre organizes workshops for students to inculcate general awareness about their rights and duties. It also tries to familiarize the students with the provisions of our constitution. The Centre advocates for change and social justice. The Centre is working towards engaging the stakeholders in awareness programmes for restoration of natural areas, parks, rivers, etc.

Environmental Club

The students, teachers and administrative staff of the College are committed to the cause of environment conservation. Maharaja Agrasen College is working towards making the campus a zero waste zone. Student volunteers under the 'Waste Management Committee' participate towards paper, wet, plastic and e-waste segregation and it's appropriate disposal. College has association with Indian Pollution Control Board (IPCA), Jaagruti waste recyclers etc. Student volunteers also organise swachhta phagwara , workshops , seminars, competitions awareness programme, visits to biodiversity parks etc. College is also proposing to provide internships to students in this field. Students interested may register with societies working towards environmental activities.

College Publications

The academic community of the college is alive to the need of bringing out in-house publications. The college publishes a research journal, 'The Indian Journal of Social Enquiry' which has earned a pride of place in the annals of research journals in the country. The Department of Business Economics brings out its annual journal 'BEAM' which gives the students an opportunity to publish and showcase their knowledge and throws light on current business developments. The Department of Journalism regularly published its newsletter 'MAC VOICE'. The entire process of editing and designing is carried out solely by the students, so that they can understand the concept of Journalism from news gathering to its circulation. 'AGRANIK', the college magazine, mirrors the spirit of Maharaja Agrasen College community. It is a canvas for expressing creativity and exists as a record of college life for a session. It is published annually and is released on the Annual Day in the College.

Training and Placement Cell (TPC)

"Strive not to be a success, but rather to be of value."

This is the sole notion of the Training and Placement Cell of our college. We work keenly towards the holistic development of students. We also assist them to grasp the necessary professional aptitude and methodology. By giving them exposure to various fields of the corporate world, we enable them to tap their true potential, from getting them ready to enter the workforce and arming them with employability skills to making them believe in their ability to run enterprises, we have got it all. Unlike other corporate-centric institutions, we not only assist them to learn how to make money but also help them to discover ways to handle it by offering them with vital monetary education. We make sure that the 'know-how' training is equipped with practical stories. As a result, we not only provide diverse work opportunities to the students during their profile-building years but also inspire them to actively participate by making them comfortable in new spaces.

The cell allows you to polish and refine yourself throughout your college years. We are completely committed to providing nothing but the best quality of training to all the students regardless of the field they wish to pursue, whether it is marketing, finance, technical, logistics, entrepreneurship or anything 'corporate' under the vast blue sky. We regularly hold webinars, workshops, trainings and interactive sessions for the students to allow them to explore and learn about whatever suits them best. We work day in and day out to bring to them internships of the most helpful kind so that they can understand and analyse what stepping into the corporate world is like. Influential companies like Wipro, Aon, Flipkart and Cognizant visit the campus. The students get experience across various work-profiles like that of Programmer trainee, Financial Analyst, Junior Analyst, Supply chain intern etc.

The team is selected after an exhaustive and rigorous selection process because we are dedicated towards providing the students the best of every kind and compromising on quality is out of question. We also remain connected with all the other functioning bodies of our college and other colleges to remain updated at all times. With our capable and hardworking team, the TPC of Maharaja Agrasen College has come a long way and is all set for the stars for eons to come.

Equal Opportunity Cell (EOC)

The Equal Opportunity Cell at Maharaja Agrasen College recognizes the persons with disabilities as valuable human resources of the country. EOC aims to create empathy and awareness on matters pertaining to disability. During the last academic year the Cell organised a workshop on "Digital Accessibility as a Right" on 8th March 2022. The workshop was also arrayed

nation-wide via Zoom. Three resource persons, Mr. Rahul Bajaj, Senior Resident fellow, Vidhi Centre for Legal Policy; Mr. Amir Jain, Legal Counsel, Accenture; and Mr. Turab Chimthanawala, Lawyer and Company Secretary, emphasized that 'digital accessibility' should be a right for all, irrespective of one's class, caste, gender or even disability. The Cell in collaboration with the Extra-Curricular Activities Committee organized a special performance by persons with disabilities during the inaugural session of the college's annual cultural festival Yuvaan 2022 on 12 April 2022. The objective was to give an entirely different spin on the view of the 'disabled' body and introduced the audience to not only

a new alternative aesthetics of disability but also a counter-aesthetic of ability. The Cell in collaboration with the Sports Committee organised an 'Inter-College Chess Competition' on 12 April 2022 and 13 April 2022. The said competition was inclusive in nature as it invited participation from both able-bodied persons and persons with visual disabilities. The Cell in collaboration with the Training and Placement Cell organised a workshop on 'CV making and How to appear in job interviews' for students with disabilities on 25 April 2022. Further, eight PwD students with four TPC student volunteers and TPC teacher coordinator Dr. Sachin Kumar went to participate in the Mega Job Fair (for students with disabilities) organised by School of Open Learning, University of Delhi on 26 April 2022. Three PwD students got job offers from organisations like Concentrix, My Moneymint and IBM. The Cell collaborated with the Training and Placement Cell of the college to organise a 'Mega Job Fair' for persons with disabilities in association with the Samarthanam Trust in the college campus on 25 May 2022. The Cell also works to develop and facilitate counselling, assistive technology, accessible infrastructure and inclusive pedagogy for persons with disabilities in the college premises. The Cell is committed towards taking initiatives for the inclusion of persons with disability in the mainstream of college community.

Abdul Kalam Centre

The Centre strives to prepare our students for future competencies and equip them with state-of-the-art infrastructural facilities and able guidance. It serves as a one stop space for nurturing fresh innovative ideas from students/faculties into a well-defined research or practice or a start-up initiative. The Centre aims to provide round the clock infrastructural and IT support as well as brainstorming sessions with faculty/industry persons to refine nascent ideas and may provide financial support to selected ventures. The college in the earlier academic sessions has successfully completed 10 innovation projects and 7 Star Innovation Projects.

Short-Term Courses

The main objective to start short-term courses in the college was to augment the undergraduate course curriculum, to empower student to meet challenges after graduating from college and to enhance the soft skills of the students.

The following Short-term Courses are being run by the centre:

- Introduction to Data Science for Business using R Programming Language
- Data Analysis for Business Decision Making
- Sugam Sangeet
- Mobile App Designing: Level 1
- English Skills for Professional Success: Level 1

MAC e-Learning Portal

College e-Learning Portal was installed and configured as per our college requirements using Moodle platform. All the 3 year degree courses and short-term courses were created on the portal.

ESRC

The Embedded Systems and Robotics Centre (ESRC), MAC has been set up with an aim to provide a platform for training students both in theory and applications of robotics through exciting hands-on application of Maths, Computer Science, and Engineering principles. The ESRC has been established with a mission to enable effective Embedded systems and Robotics education to students by providing training for students; engaging teachers and students in hands-on experiments with robots.

IQAC

The Internal Quality Assurance Cell (IQAC) was set up in Maharaja Agrasen College, University of Delhi on October 3, 2015 in response to the latest set of guidelines laid down by NAAC for the setting up of the Internal Quality Assurance Cell in higher institutions. The MAC-IQAC is committed towards enhancing the academic and research environment of the college. Internal Quality Assurance Cell (IQAC), Maharaja Agrasen College was formed with the aim to develop a quality system for conscious, consistent and catalytic programmed action to improve the academic and administrative performance of the College. The mandate of MAC IQAC is to develop an all-inclusive quality culture in the college by channeling and synergizing the efforts of all constituent stake holders of the college and work towards academic excellence and progress. The MAC-IQAC 2022-23 comprising of Principal as Chairperson and Prof. Maneesha as the Coordinator along with teachers-in-charge and administrative officials work in tandem towards internalization and institutionalization of quality enhancement initiatives. These initiatives help to improve the academic and administrative performance of the institution and to promote measures for institutional functioning through internalization of quality culture and institutionalization of best practices.

Centre for North East

The Northeast Cell of Maharaja Agrasen College epitomizes the exquisite spirit and rich diversity of the beautiful North-eastern states of India. The society provides a platform to the students from Northeast India to showcase the enchanting ethos of the eight Northeast states through various events and activities. It harnesses and polishes the skills of the students by channelizing their intellectual energies in a positive way to make them productive members of the society. The Northeast Cell not only mentors the students to enhance their skills but also transforms them into dynamic leaders of tomorrow. Firmly believing in the idea of 'Ek Bharat, Shreshth Bharat', the Northeast Cell educates people belonging to different parts of our country about the magnificent culture and history of Northeast. The Cell uses its privileged platform as a fertile land, where students engage in a healthy interaction to promote the culture of 'Unity in Diversity'. With this aim, the Northeast Cell of Maharaja Agrasen College has organized multiple events over the years highlighting the rich essence of the region. The society has conducted events such as Northeast Cultural Fest cum Folk Dance Competition in 2019, an essay competition on 'Relevance of Gandhi amongst the Youth in North Eastern Region' in 2020, Mahatma Gandhi Memorial Inter-College Essay Writing Competition on 'The Unsung Freedom Fighters from North East India' in 2021, a cultural exhibition displaying the rich heritage and tradition of Northeast India in 2022, North Eastern Solo and Group Cultural Dance Competition, Quiz Competition, Poster Making Competition, and Article Writing Competition on the topic 'North East India and AYUSH: Retrospects and Prospects' in 2022.

MAC-EBSB Club

As per the guidelines of Government of India under the initiative of Ek Bharat Shreshtha Bharat (EBSB), Maharaja Agrasen College launched the MAC-EBSB club in 2019-20. The club has more than twenty students from various departments organising events under the guidance of the teachers. Ek Bharat Shreshtha Bharat is a humble initiative to cherish and celebrate the rich cultural heritage of our country India, to be able to preserve and propagate its history, traditions and values. In 2019-20 MAC-EBSB club had embodied the duty by representing the allocated state - Sikkim (as per the implementation strategy of the engagement matrix 2020) as a part of this social engagement program in coherent ways. On 22 February 2020 it introduced the new members of the club and its objectives, Since then the EBSB Club organized many events like

movie screening, article writing competition, art competition etc. The EBSB club collaborated with the Department of Mass communication of Sikkim University and organised a “Delhi & Sikkim E-tour” on 11 November 2020. In a ZOOM meet the students were taken on a visual journey that highlighted the speciality of the two states.

The club celebrated the spirit of dance and the diversity of culture in India by organising a Cultural Dance Competition under Yuvutsav. In the event, Seven shortlisted teams from various colleges participated and they represented the culture of different states such as Rajasthan, Punjab, Delhi, etc. with their performances.

EBSB Club recently orchestrated an educational tour to Sikkim, a partnering state for Delhi and became the first team from Delhi to visit partnering state. The purpose of the trip being the expansion of students' knowledge and apprehension about the Sikkim culture in a comprehensive manner i.e., to gain a better insight of the state. The students had the privilege of meeting the honorable Governor of Sikkim, Shri Ganga Prasad. The trip was a great learning experience and a good adventure for the students with many learning intakes from Sikkim and its people.

MAC-EBSB club is a learning platform for its members and a nourishing opportunity for the Maharaja Agrasen College. Weaving oneself to the cultures, flowing in the river of knowledge and human history is requisition for a country's growth in a true sense. Maharaja Agrasen College stands proud to be a part of this exceptional initiative to celebrate and promote the cultural diversity of India.

Admission Procedure

Step I: Appearing in CUET-UG 2022.

For the academic year 2022-23, admission to all UG Programs of UoD will be done based on the Common University Entrance Test- Under-Graduate 2022 (CUET (UG) - 2022. CUET(UG) - 2022 was conducted by the National Testing Agency (NTA) in July-August 2022.

Step II: Registration in CSAS – 2022

Appearing in CUET(UG) - 2022 will not be a sufficient condition to secure a seat in Maharaja Agrasen College. For admission to the College UG Programs, a candidate has to apply in Common Seat Allocation System (CSAS-2022) of University of Delhi. Determination of program-specific eligibility and verification of documents for admission to MAC will be the sole purview of the college/university.

All applicants desirous of taking admission to Maharaja Agrasen College must give the preferences of MAC and the programs offered by the college in CSAS – 2022.

The candidate must refer to the Programs offered by MAC, their Program-Specific Eligibility Criteria, the seat matrix of each program offered by the college, fee structure and other relevant information published on the college website and the admission website of UoD before selecting the Program + College preferences.

Step II: Registration in CSAS – 2022

The CSAS -2022 form will be deemed submitted only when the applicant has paid the relevant registration fee. This fee must be paid only through the link provided through the applicant's Dashboard.

Step III: Seat Allocation

The University of Delhi will provisionally allocate seats to applicants during the various allocation rounds. The applicants must 'Accept' the allocated seat and apply for admission to MAC. The college will then verify the documents and approve the admission. For details, please refer to CSAS - 2022 document available at: https://admission.uod.ac.in/userfiles/downloads/12092022_CSAS.pdf

Step IV: Selection of Course and College

Upon seat allocation, applicants must log in to their Dashboards to Accept the program and college allocated.

- i. Please note that 'Accept' option to apply in the college as per allocated seat can be made only online through their Dashboard on the UG admissions portal. There will be no physical visit to the colleges at this point in the process.
- ii. The procedure for accepting the allocated seat by the applicant must be completed within the stipulated time interval.

Step V: Online verification of documents by respective colleges

The college shall verify the documents uploaded by the applicant for the program-specific eligibility, minimum eligibility and category. Those approved are required to pay the fee and receive a confirmation of their admission.

Step VI: Payment of fees to confirm admission

Once the Principal of the College has approved their admission, the applicants will receive a link on their Dashboard through which they must submit the program fees due. This fee can only be paid online through the portal.

- i. The applicant must pay the fee without delay within the stipulated time,. On successful payment of fees, the applicant is granted provisional admission to the said college.
- ii. Applicants must pay the fee within the timeframe allocated, failing which it will be concluded that the applicant is not interested in the program of study at that college, and the candidate will be out of CSAS - 2022.

Step VII: Physical verification of the original documents

The respective colleges will verify the uploaded documents within the stipulated time (Dates for the same shall be announced by the University / College later). If, at this stage, it is found that the information given by the applicant is false and/or is not supported by the documents presented, the admission will be immediately cancelled. No fees will be refunded in such cases. Any change in the admission process for CSAS – 2022 UG admission will be notified on the website of the University of Delhi. Candidates applying to the University of Delhi must refer to the UG BoI-2022 for Common Minimum Eligibility criteria and Program-Specific Eligibility criteria. (http://du.ac.in/uploads/new-web/21042022_BOI-UG.pdf).

If at any stage original documents relating to the admission of a candidate are found to be fake / non-genuine or fabricated or in any other manner defective, the said candidate will not be admitted. If already admitted, admission will be cancelled without any prior notice in this regard. If the same is found after completing the program, his / her degree will be cancelled and appropriate legal action will be taken.

Qualifying Examinations:

Qualifying examinations for admission to the first year of undergraduate programs offered by the University of Delhi shall be Senior Secondary School Certificate Examination (Class XII) of the Central Board of Secondary Education or an examination recognized as equivalent.

Age Requirement:

As per Ordinance-I of the University of Delhi, there is no minimum age bar for admission for the courses offered by the college.

Internal Complaints Committee

Maharaja Agrasen College, University of Delhi has a ZERO tolerance policy against sexual harassment. The Maharaja Agrasen College Internal Complaints Committee was constituted in 2015 Under section 4 (1) of Prevention, Prohibition and Redressal of Sexual Harassment of Women Employees and Students in Higher Educational Institutions, Regulation 2015. The committee follows due protocol in redressal of complaints. It works pro-actively towards increasing gender sensitization by organising lectures by Lawyers and other experts to disseminate the finer nuances of the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013. It also seeks periodic feedback from students and is committed to ensuring a safe environment for girls within the college. It also organises self-defence workshops for girls in collaboration with the Special Unit for Women and Children, Delhi Police.

Students must not hesitate in reaching out to the members of Internal Complaints Committee. The Internal Complaints Committee comprises of the following members.

B. A. Programme

BA. Programme under NEP is an interdisciplinary and multifaceted programme, it lays the foundation of success for students by equipping them with knowledge and skills of different types.

Dr. Saumya Shukla
Convener,
BA Program Committee
sshukla@mac.du.ac.in

B.A Programme is a flexible, multi-disciplinary and choice based programme to cater to the needs and interest of the students. The course aims at imparting the intellectual and communication skills necessary for a successful career in the professional world. The B.A. Programme committee at Maharaja Agrasen College is motivated towards providing opportunities for holistic development of students with academics at the centre. Students enrolling for this course can choose to study from a multitude of disciplines ranging from Economics / Political Science / History / Mathematics and Commerce/ Computer Applications/ Hindi/ English. The course is suitable for students of various academic streams and backgrounds. The course curriculum is designed to equip students with skills necessary for employment in the public as well as private sector. The course curriculum is also very helpful for students preparing for competitive examinations as it provides greater choice of subjects and options.

As this course is taught by the faculty of Economics, Political Science, History, Hindi, English, Mathematics, Commerce, Computer Science and other academic backgrounds, this gives an opportunity to students to interact with faculty specialising in different academic circles. This is also an opportunity for students to acquaint themselves with issues and subjects varying over a wide range in order to enrich their knowledge and understanding.

Greater choice of subjects is available to choose from in the papers aiming at enhancing skills of the students for gainful employment. This course provides the diversity and vibrance that leaves the option of specialising in more than one academic subjects at the level of post- graduation open. For the same reason, this course is well suited for students who are interested in going for teaching jobs. No other course offers this kind of variety in options that students can choose from.

LAKSHYA, the B.A. Programme Society is a pro-active and lively society of the college. It has developed into a platform for the students to share and showcase their ideas and talent in various spheres of life. LAKSHYA, under the aegis of B.A. Programme Committee, organises competitions, debates, quizzes, conferences, seminars, film screenings among other

activities. Besides this, students also have the opportunity to go for educational tours and excursions. B.A. Programme is a very successful course. Students of this programme are very active in various activities at the college and the university level. B. A. Program is an interdisciplinary and multifaceted programme, it lays the foundation of success for students by equipping them with knowledge and skills in a variety of subjects.

B. A. (Hons.) Business Economics

In the era of globalisation success in business requires dynamic learning as fast as the world is changing.

Dr. Prathibha Rai
TIC, Business Economics
Mob: 9560394030
rai.pratibha@gmail.com

The B.A. (Honours) Business Economics course aims to enable students to develop analytical skills, enhance creative thinking and equip them with sound theoretical knowledge to pursue higher studies in Economics, Management and Business Administration. The core papers impart the knowledge and skill-set that enables analysis for sound decision-making in all aspects of the business. Here, the theory of economics, the methods of mathematics, statistics, and econometrics equip students to handle data and generate meaningful insights. Knowledge of the rules and norms of business and its environment comes from courses on marketing, organizational behaviour, financial markets, industrial economics, and legal aspects. Elective courses permit an in-depth knowledge of a single field or a general and broader idea about several fields, enabling a student to decide their specialization later on. These cover the themes of finance, marketing, economics, taxation, quantitative techniques, etc. Keeping abreast with the times, new papers in Data Science, Statistics through R, and Data Visualization have also been added to strengthen the curriculum. The course structure is future-ready and flexible to incorporate the dynamic changes in the global economic environment. After successful completion of the program, students shall be able to garner the cognitive and content skills to enable them to perform optimally in the business environment

The carefully designed syllabus aims at giving wider coverage to its course contents, enabling easier assimilation of the same by the students. The department adopts various pedagogical approaches apart from the regular lectures, tutorials, project work, and presentations. The department organizes industrial seminars and workshops regularly. It encourages students to take up internships in industry and research establishments etc., with the aim of developing their problem-solving, communication, and higher-order skills of reasoning and analysis. The activity calendar of the department broadly comprises an orientation program for the freshers, corporate interactions, and workshops on several contemporary topics, majorly for developing leadership attributes, soft skills, start-up ideation and funding, business innovation, and so on.

The department organizes an 'Industrial colloquium' to impart skills in situation-based decision-making, trading, and optimal utilization of given budgetary resources. The Magazine and Newsletter Committee of the department releases an e-newsletter every month. The committee has taken out several successful editions of the newsletter called the BEA-Beats. The content of the newsletter includes trending news of the month, a review of the events taking place in the department, a creative section, alumni connect, etc. The alumni of the department address and guide the students as per the need of the students regarding further education, career options, and real challenges encountered while working for the industry and the government. Entrezest, the annual flagship event of the department, comprises of various management and economics-related activities, seminars, and debate that test the analytical, managerial, marketing and entrepreneurial skills of student participants with an element of fun.

B. A. (Hons.) English

"Borderless and of all ages, literary studies take in everything from epic poems to novels, from short stories to graphic narratives, from drama to films and from language development to translation and adaptation. It adds new perspectives to learners' way of thinking"

Mr. Vinod Verma
TIC, English
vkverma@mac.du.ac.in

The B.A. Honours course in English at Maharaja Agrasen College was introduced in 1997. This is a highly sought-after course and justly so. With an entire panorama of literary texts, contexts and critical tools, it aims to provide students an exposure to a spectrum of global literatures and train them in various methods of literary and sociocultural analyses. The department has consistently provided opportunities to students for interacting with some of the best minds in the discipline as well as in allied fields. It has systems in place to ensure delivery of quality teaching, transparent mechanisms for internal assessment and structured preparation for University examination as well as orientation for future preparation for diverse fields and professions. To apply research to classroom teaching, an interfaculty lecture series project (ILSP) has been initiated since the session 2020-21. Furthermore, it has a full calendar of activities aimed towards making students connect not just with the literary world but also with the larger world beyond their classroom ambit. The Department has its own departmental library, a growing digital archive, as well as a rich reserve of resource in its Centre for Performing Arts and Cultural Studies (CPACS). The Department of English Co-curricular Student Society, 'ACTIVE', lives up to its name each year by organising, under the guidance of the teachers, many well attended events. The co-curricular events include the Annual Lecture Series, Literature Festival 'LITERATTI', Meet the Author Series, film-making and theatre performance projects by CPACS, various workshops and an excursion to places of cultural interest. Meet the Alumni series is a recent inclusion in this elaborate list of activities. The department also organizes National and International conferences on a regular basis. Implementing NEP from the academic session 2022-23, the structure and syllabi of DU English courses under UGCF scheme have been designed by incorporating inputs from well researched areas worldwide providing these

courses clarity of course statements, academic and job oriented objectives , facilitating the achievements of course , essential readings, weekly teaching plans and keywords. Besides core courses on literary studies, the framework of the degree also includes courses on skill / ability enhancement, discipline specific electives, generic elective and a wide range of exposure to activities associated with teaching-learning exercises of these courses. To facilitate the achievements of course learning outcomes, the department applies the model of teaching-learning as included in syllabus which clearly demarcates a participatory three pillar approach consisting of 1. Course Learning Outcomes 2. Teaching and Learning Activity and 3. Assessment Tasks. To lay theoretical foundation for the course the emphasis is on understanding concepts, expressing concepts through writing, and demonstrating conceptual and textual understanding in tests and exams. Teaching-learning activity comprises of interactive discussions in small groups in tutorial classes, how to think critically and write with clarity and discussions on exam questions and answering techniques. The assessment tasks include reading material together in small groups, initiating discussion topics, participation in discussions, writing essay length assignments and class tests. The Department, thus is a stimulating, vibrant space, providing ample opportunities for students to explore their potentials and the possibilities made available to them in the intellectual, academic, creative, as well as social arenas.

साहित्य का कर्तव्य केवल ज्ञान देना नहीं है, परंतु एक
नया वातावरण देना भी है। -डॉ. सर्वपल्ली राधाकृष्णन

iks 'klj dklj
प्रभारी हिंदी
tic_hindi@mac.du.ac.in

साहित्य अपनी जड़ों को जानने-पहचानने और मानव व्यवहार को समझने का एक सर्वोत्तम साधन है। महाराजा अग्रसेन कॉलेज का हिंदी विभाग इसकी एक कड़ी है जो भाषा, साहित्य एवं संस्कृति से संबंधित शैक्षिक एवं सांस्कृतिक गतिविधियों को एक सूत्र में पिरोती है। साहित्य और कला का बोध जागृत करने के लिए हिंदी विभाग की दो संस्थाएं, नवचेतना परिषद् और संस्कृति कला केंद्र वर्ष भर गतिशील रहती हैं।

सत्र के आरंभ में परंपरा के अनुसार हिंदी विभाग के विद्यार्थियों में से नवचेतना परिषद् के सदस्यों को निर्वाचित किया जाता है, जिसके सदस्य वर्षभर आयोजित होने वाले विभिन्न विभागीय समारोह में अपनी उपस्थिति और सक्रियता बनाये रखते हैं और विभाग की शैक्षणिक एवं प्रतियोगितापरक गतिविधियों को सुचारू रूप से संपन्न कराने में अपनी महत्वपूर्ण भूमिका अदा करते हैं। सत्र आरंभ होने के कुछ हफ्ते बाद तीनों वर्षों से इच्छुक विद्यार्थियों का चयनकर नवचेतना परिषद् का गठन कर दिया जाता है।

हिंदी दिवस, विश्व हिंदी दिवस, गांधी जयंती, सरस्वती पूजा, स्वागत एवं विदाई समारोह, राष्ट्रीय संगोष्ठी, कार्यशाला आदि मुख्य कार्यक्रमों के अंतर्गत स्वरचित काव्यपाठ प्रतियोगिता, पोस्टर मेकिंग प्रतियोगिता, नाटक, रचनात्मक लेखन प्रतियोगिता, प्रश्नोत्तरी प्रतियोगिता आदि का आयोजन किया जाता

है। 'वसंतोत्सव समारोह' के अंतर्गत प्रायः लोकगीत गायन प्रतियोगिता एवं लोकनृत्य प्रतियोगिता आयोजित की जाती रही है। समय समय पर 'शिक्षक-विद्यार्थी संवाद' का भी आयोजन किया जाता है। कॉलेज की वार्षिक पत्रिका में हिंदी विभाग के विद्यार्थी अपनी रचनाओं को साझा करते हैं और अपनी विशिष्ट पहचान बनाते हैं।

नवचेतना परिषद एवं संस्कृति कला केंद्र की ओर से सक्रिय विद्यार्थियों को प्रमाणपत्र एवं स्मृति चिह्न प्रदान किए जाते हैं।

हिंदी विभाग में शिक्षकों की वर्तमान संख्या 12 है और वर्तमान प्रभारी प्रो. शंकर कुमार हैं। समस्त कार्यक्रमों में सभी शिक्षकों एवं विद्यार्थियों का योग- सहयोग रहता है, जिससे कार्यक्रमों की सर्जनात्मक स्वरूप में उत्तरोत्तर वृद्धि होती है और समस्त कार्यक्रम विधिवत् आयोजित एवं सम्पन्न होते हैं।

B. A. (Hons.) Journalism

I still believe that if your aim is to change the world, journalism is a more immediate short-term weapon.

– Sir Tom Stoppard British Journalist and playwright

Mr. Sudhir K. Rinten
TIC, Journalism
tic_journalism@mac.du.ac.in

The B.A (H) Journalism course aims at foregrounding the role of journalism in a democracy. It helps the students to refine their linguistic and communicative skills while providing an insight into the socio-economic and political dimensions of living in a globalized world.

A host of interesting and practical subjects like the history of journalism and printing, social psyche and mass culture, news making, advertising and public relations are covered in the course to give the student a firm foundation for a competitive industry. Understanding the importance of practical experiences required in this field, this course has been designed to give maximum exposure to the students and thereby familiarize them with the on-ground skills and abilities required. Another crucial aspect of journalism relies on the community interaction and therefore the department regularly organizes Community Development Programs. Our students visit rural communities and try to understand their problems, opinions and the requisite needs of the societies. Department organizes talks, lectures and symposiums on various issues, which exposes students to the words of eminent achievers in the media industry. Apart from inviting media professional to the college, the students of the college are taken to various media houses to help them in becoming acquainted with the industry, its functioning and requirements.

While the course focuses on journalism and news media, it is no way limited to it. The course provides ample skills to students for varied fields like radio, advertising and public relations, photography, filmmaking, etc. And even in these fields, the course enables the student to choose their interests, be it on-screen or off-screen professions by imparting an ample skill set for both.

Event management is an important aspect of this industry and therefore the Department organizes the annual Journalism Festival 'Yatharth'. The fest is largely organized by the students with the faculty as their guiding light. Department also regularly publishes its much-acclaimed newsletter, 'MAC VOICE'. The entire process of editing and designing is carried out solely by the students, so that they understand the concepts of Journalism from news gathering to circulation while honing their skills for the news media industry.

The course's wide-ranging focus and industrial relevance is characterized by our alumni who have made a name for themselves across various fields. Our alumni are working across the globe with famed news organisations like Wall Street Journal, Reuters, Al Jazeera, BBC, etc. While Doordarshan, India TV, Zee Media, CNN-News18 Group, NDTV, Republic Media, TV Today Network, etc. are some Indian media organisations where our alumni are proving their mettle.

Apart from broadcast media, MACites have a significant presence in print media too. Pioneer, The Telegraph, The Indian Express and Financial Express, The Hindu and Businessline, The Times of India, Hindustan Times and Hindustan, etc. to name a few.

In addition to this, owing to our focus on other forms of media has helped our students to be part of radio stations like Red FM, BBC World Radio, Big FM, Ishq FM, etc. In the world of films, our students have produced award winning and internationally acclaimed films like Tremors and A Hairy Tale. While also being part of organisations like The Viral Fever, The Screen Patti, The Timeliners, etc. Furthermore, our alumni also have founded organisations like Youth Ki Awaz and The Logical Indian among others while proving themselves to be true entrepreneurs.

Leading advertising agencies like DDB Mudra Group, Mullen Lowe Lintas Group, McCann Erickson India, FCB Ulka Advertising, Schbang Digital Solutions, etc. are also home to many of our alumni. The department regularly organizes interactions of the students with the alumni so that the students understand the fine details of the industries from their seniors.

The department has a state-of-the-art Media Lab for providing practical exposure to the students to make their career in Modern Media Industry with the help of latest technological equipment in all media streams.

*Students are advised to visit www.du.ac.in for any course structure related details.

B. A. (Hons.) Political Science

Politics being an integral part of our lives, we offer a course through which we try to widen the student's horizon in political, social, economics, national as well as international issues.

TIC, Political Science
ritukohli9@gmail.com

The Department of Political Science was established in the year 1994. The department offers B.A. (Hons.) in Political Science to students. The department also teaches students of B.A. Prog. (Political Science) and offers variety of paper to them. The existing curriculum for Political Science papers in B.A. Prog. is also available on the DU website. The department also offers interdisciplinary Generic Elective (GE) papers for other Honours courses. There are a total number of ten faculty members currently employed with the department. The faculty has varied interests across the discipline ranging from Political Theory, Nationalism, Foreign Policy, African Politics, South Asian Politics, Human Rights, Public Administration, Indian Diaspora etc. 'Chanakya' is the Political Science student society of Maharaja Agrasen College that aims at providing services that enable students to develop their full potential and to reach their educational goals. Chanakya society organizes its Annual Fest in the month of September each year where various competitions like Slam Poetry, Political Quiz, Just a Minute, Political Caricature, Funk from Junk which was to encourage students to Make Best out of the Waste, Ek din ka Mantri where participants were given the role of a minister and Drollery-stand-up comedy, poster making, extempore, Multilevel debates, essay writing, mock elections etc. are held to provide a learning atmosphere to the students of the department. All these events helped in overall personality development of the students. Chanakya celebrated Kargil Diwas on 26th July 2021 to honor the sacrifice of the soldiers during Kargil War, by organizing various competitions. Chanakya also celebrated Gandhi Jayanti on 2nd October, 2021. The Department of Political Science also held Department Orientation on 23rd November 2021 for first year students to welcome them to the department through online mode. 'Vimarsh' the debating society of the Department of Political Science has been active throughout the year in the field of initiating healthy group discussion and round table sessions on various topics of importance. Vimarsh also holds monthly sessions twice every week. This encourages students from different departments to participate in the group discussion as well. The department organizes Invited Lectures of Resource Persons as part of its Monthly Lecture Series. Some of the lectures held in 2021-22 session were on Ekaatam Maanav Darshan and Antodaya Sankalpna, Liberalised India, Politicised Middle Class and Software Professionals Indian Federalism, India's Imperatives in its Neighbourhood and Emerging Powers in Post-American World. Seminars on relevant topics are also organised to provide all-round exposure to the department students as well.

as faculty. On 5th -6th August 2021, the Department of Political Science held a National Conference on Perspective on Indian Democracy: One Nation, One Election sponsored by ICSSR. These events are a platform where students are actively encouraged to participate and enhance their experience and knowledge. Accordingly, the study of Political Science enables the students to have good knowledge about progressive ideas and revolutionary changes. This makes it easy to take collective decisions in social, economic and political fields. With this purpose a degree in political science prepares our students for many forms of employment as well as further research study. Students gain many analytical and practical skills including the ability to conduct research, oral and written communication and IT, all of which are invaluable in today's employment market which ultimately help them to become IAS, Policy Analyst, Legislative Assistant, Public Relations Specialist, Social Media Manager, Marketing Research Analyst, Political Consultant, Attorney and to work with NGOs.

B. Com. (Hons.)

To look is one thing. To see what you look at is another. To understand what you see is a third. To learn from what you understand is still something else. But to act on what you learn is all that really matters.

Dr. Neetu Bala
Teacher-in-charge,
Dpt. of Commerce
neetucancerion@gmail.com

B.Com (Hons.) has been the flagship programme of Delhi University. Here, what you study in the classroom is directly applicable to your work life and the workplace. The Commerce programme emphasizes on an interactive teacher-learner environment necessitated by the use of presentations, role plays, case studies, group discussions, educational excursions, film screenings, and the use of e-resources in teaching of subjects like principles of marketing, business laws, cyber laws, business economics, and e-filing of returns. Besides pursuing higher studies in the domain of commerce itself, the B.Com (Hons) is a valuable preparation for a variety of career options in entrepreneurship, marketing, green marketing, e-commerce, advertising, insurance, media, school and university teaching, business research, consultancy, law, civil services etc. The Commerce department is active in organizing talks, discussions, workshops, outstation trips, as well as their two-day annual festival "CRUSADE" for holistic development of the students. Many of our students are also active in successfully managing their participation in theatre, classical music and dance, art and photography, and NSS along with their academic pressures. A team of young and enthusiastic professors await you to serve as your friend, philosopher, and guide. The Commerce Department has Financial Literacy cell-where you can learn how to invest money, get returns, earn money and how to take care of money; Life Skill Cell-where you can learn skill required for professional life; Wellness Cell- where you can develop innovative thinking and positivity; Training and Placement Cell- where you can learn employability skills; Alumni Cell- brings former graduates together to maintain a connection with their university and fellow graduates and Community Service Cell- where you can learn to do work for the betterment of the community.

B. Sc. (Hons.) Electronics

Students, who are good at mathematics and physics with inventive and creative mind, can sure be able to shine in the field of electronics.

Dr. Paramjeet Singh
TIC, Electronics
psingh@mac.du.ac.in

The Department of Electronic Science, Maharaja Agrasen College, a distinguished leader in technical education, offers the undergraduate program, B.Sc.(H) Electronics, where the teaching of applied, hands-on electronics is of the utmost importance. This course is designed to enhance the students' understanding of scientific principles and to further develop their technical skills by hands-on designing and testing of electronic circuits and systems similar to that are used in industry. The course curriculum is a perfect blend of papers in physics, mathematics, and computer with special emphasis on electronics. Basic concepts of computer modeling and simulation of electronic circuits are an integral part of curriculum. Students are also trained in fundamental computational skills to use techniques and software for simulation, data analysis and visualization more efficiently. Overall, this course is an integrated approach to electronics and computer science, taught using substantial laboratory experiments in areas such as analog, digital, signal & systems, communication, optoelectronics, microprocessor, microcontroller, robotics, embedded systems, VLSI design, etc.

This well-structured program enhances student's employability skills and also their ability to articulate these skills. Electronics graduates and post graduates have a bright future ahead of them in various areas like Design, Development, Fabrication, Inspection, Quality control and Maintenance.

Students possessing a scientific temperament, strong back-ground in physics and mathematics; having high acceptance of new technologies and good reasoning abilities are most likely to excel in this field.

The new proposed UG structure opens up abundant opportunities because of its unique designing as students will be able to study more number of core papers to enhance their fundamental understanding in Electronics, new skill sets as per industry 4.0/5.0 standards through Skill enhancement papers and a number of discipline specific electives to nurture their knowledge in their areas of interest as per the electronics industry demand. This new structure will go a long way in providing students with desired knowledge and skills to be industry employable, entrepreneur and capable researchers. The Electronics curriculum is designed and developed in a way that will fulfill the objectives of NEP.

B. Sc. Physical Science

B.Sc Physical Science is a versatile course. It is both fascinating and provides wider scope for analytical thinking, creativity, fundamental research and of course employment.

Dr. Nibedita Khuntia
Convener, Physical Sciences
nibeditakhuntiadu@gmail.com

Courses of Study – Courses of study indicates pursuance of study in a particular discipline. Every discipline shall offer three categories of courses of study, viz. Discipline Specific Core courses (DSCs), Discipline Specific Electives (DSEs) and Generic Electives (GEs).

a) Discipline Specific Core (DSC): Discipline Specific Core is a course of study, which should be pursued by a student as a mandatory requirement of his/her programme of study. DSCs shall be the core credit courses of that particular discipline which will be appropriately graded and arranged across the semesters of study, being undertaken by the student, with multiple exit options as per NEP 2020. The DSCs specified in the framework would be identified by the concerned Department as core courses to be taught in a Programme.

b) Generic Elective (GE): Generic Electives shall be a pool of courses which is meant to provide multidisciplinary or interdisciplinary education to students. GEs shall consist of a pool of courses offered by various disciplines of study (excluding the GEs offered by the parent discipline), in groups of odd and even semesters, from which a student can choose. In case a student opts for DSEs beyond his/her discipline specific course(s) of study, such DSEs shall be treated as GEs for that student.

c) Ability Enhancement course : (AEC), Skill Enhancement Course (SEC) & Value Addition Course (VAC)

- (i) AEC courses are the courses based upon the content that leads to knowledge enhancement through various areas of study. They are Language and Literature and Environmental Science and Sustainable Development which will be mandatory for all disciplines.
- (ii) SEC courses are skill-based courses in all disciplines and are aimed at providing hands-on-training, competencies, skills, etc. SEC courses may be chosen from a pool of courses designed to provide skill-based instruction.
- (iii) VAC courses are value-based courses which are meant to inculcate ethics, culture, Indian Knowledge systems, constitutional values, soft skills, sports education and such similar values to students which will help in all round development of students.

Besides, the name of the Student Society of B.Sc. Physical Science is “Vigyanmanthan”. Various Competitions, Lecture series are organised by the department during its annual cultural meet “Scintilla” to enhance students’ overall growth.

Programme Structure*

B. Sc Physical Science is a Multidisciplinary Course. A student must complete a total of 22 credits spread over five different types of courses during Semester I. Accordingly, its structure for the 1st Semester as provided by the University of Delhi will be as follows:

Semester-1

Nature/Type of Course	Credits per Paper	No. of Papers	Total No. of Credits	Name of Papers from THREE different Disciplines/ Departments - A, B and C	Remark
DSC (Discipline Specific Core)	04	03	12	A-1, B-1, and C-1 (1 stands for the particular paper to be offered by the concerned department A/B/C in the 1st Semester)	At MAC, DU Combination I: Physics (A)+ Maths (B) + Comp. Sc (C) Combination II: Physics(A) + Maths (B) + Chemistry (C)
GE (Generic Elective)	04	01	04	From Outside of the Departments A, B and C	Given that the Discipline papers from the departments are A, B and C respectively, the GE paper could be taken from Biology / Electronics or any other discipline/ department to be decided by the Staff Council.
AEC (Ability Enhancement Course)	02	01	02	Environmental Science and Sustainable Development/ From a Pool of Language Papers	Distributed alternatively over odd and even semesters in the first two years of the programme
SEC (Skill Enhancement Course)	02	01	01	From a Pool of Papers provided by the University	
VAC (Value Addition Course)	02	01	01	From a Pool of Papers provided by the University	
VAC (Value Addition Course)	02	01	02	From a Pool of Papers provided by the University

B. Sc. Mathematical Sciences

"Without mathematics, there's nothing you can do. Everything around you is mathematics. Everything around you is numbers."

– Shakuntala Devi

Dr. Vanita Jain

TIC, Mathematical Sciences

The Department of Mathematics seeks to intensify the student's knowledge of mathematical, quantitative, and scientific principles that can apply to various fields of applications and enable them to have an analytical decision making. The Department at present is offering a course in B. Sc. Programme in Mathematical Sciences which is a perfect blending of Mathematics, Statistics, Operational Research, and Computer Science. The main motto of the course is to create a solid foundation for assimilation of mathematical concepts and structures and build mathematical skills like creative, logical, and analytical thinking. This well-structured programme enhances student's employability skills and also their ability to articulate these skills. Today, careers in data science are in high demand, and thus the need for persons having knowledge of Mathematics, Statistics, Operational Research, and Computer Science can only multiply. The study of this course shall be of immense help for students planning a career in Management Science, Computer Science, Operational Research, Mathematics, and several others. The department organizes several lectures to provide exposure to students about the latest development in the Mathematical Sciences. We also conduct workshops to enhance skills helpful in securing better avenues in the highly demanding job market. Careers in data science are in high demand, and thus the need for persons having knowledge of Mathematics, Statistics, Operational Research, and Computer Science can only multiply. In today's world of digitization, this program provides the students an opportunity to get job which can be termed as the "dream job" of the next decade. The study of this course shall be of immense help for students planning a career in industry, actuarial sciences, Management Science, IT Industries, Software Developer as well as for further studies in finance and business statistics. The department organizes several lectures to provide exposure to students about the latest development in the Mathematical

Sciences. We also conduct workshops to enhance skills helpful in securing better avenues in the highly demanding job market. In B. Sc Mathematical Science, which is a Multidisciplinary Course, each student has to secure 22 credits in total during 1st semester of academic session 2022-23. The details of the structure for academic session 2022-23 1st SEMESTER as provided by University of Delhi is given below in the table:

Programme Structure*

Attendance

1. All courses taught in the college shall be taught in the Semester System as per University of Delhi Guidelines and Curricula.
2. According to Ordinance VII (2)* of the University of Delhi, a candidate for the Semester I/III/V Examination shall not be deemed to have satisfied the required conditions of attendance unless s/he has attended, in all the subjects taken together, not less than two thirds of the lectures/practical/presentations/tutorials required to be attended provided that a student of the Semester I/III/V who does not fulfil the required conditions of attendance, as above, but has attended, in all the subjects taken together, not less than 40 percent of lectures/practical/presentations during the respective semester, may at the discretion of the Principal of the College concerned, appear for the ensuing semester Examination; but such a candidate shall be required to make up the deficiency at lectures and practical, in the next semester of the same academic year.
3. Provided that a student of the II/IV semester who does not fulfill the required conditions of attendance as above, but has attended in all the subjects taken together, not less than 40 per cent of the lectures/practical/presentation/tutorials, held during the respective semester, may at the discretion of the Principal of the College concerned, be allowed to appear in the ensuing examination provided that s/he makes up the deficiency of the said attendance by combining the attendance of the previous semester in the ensuing semester.
4. The assessment marks for attendance are assigned as per the following guidelines:
Less than 67% (0 Mark), More than 67% but less than 70% (1 Mark), More than 70% but less than 75% (2 Marks), More than 75% but less than 80% (3 Marks), More than 80% but less than 85% (4 Marks), More than 85% (5 Marks).
