Prof. Sunil K Choudhary
Chairman

The entry to a college life reflects multifaceted changes and transformations. It consists of embracing possibilities and potentialities unfolding new avenues of growth and development. As all young minds are taking the first steps embracing their new future at Maharaja Agrasen College at University of Delhi, the MAC Parivar steers their academic journey in terms of acquiring knowledge and wisdom to be attuned to the rhythms and cadences of our Indian ancient traditions as well as in sync with the digital contemporary world. The College offers an intellectually stimulating environment with experienced and friendly faculty, competent administrative staff, and state of the art infrastructure. From smart classrooms with interactive panels to a well-equipped airconditioned auditorium, ICT rooms and conference hall, to well-stocked library furnished with e-resources to well-maintained grounds and gymnasium and to a safe and secure Hostel—Vidyottama—for girl students, the College has emerged as one of the best educational institutions affiliated to University of Delhi.

As part of its vision and mission to deliver a holistic and sustainable learning milieu for the students, the College is continuously and consistently involved in numerous proactive practices. From creating a zero-waste campus to enunciating an ecologically sustainable world through its various environment friendly campaigns, from offering students a platform to productively showcase their extra-curricular skills and talents to accommodating them through Placement Cell enabling them to interact with the best technical and skilled minds for productive employability. Further, the College facilitates in making the students aware of their responsibilities by urging them to be engaged in community extension activities via NSS and NCC-Girls Cadets. The multiple centers being run at the College, viz., Centre for Civic Education, Centre for Performing Arts and Cultural Studies, Sanskriti Kala Kendra, Abdul Kalam Centre for research, Vivekananda Study Circle, and Media Centre — attempt to dramatize a viable, credible and sustainable ambience coalescing research, innovation, creative and academic knowledge production at one common platform.

The new entrants to the College are the new aspirants and strengths of the 21st Century New India and I wish them a very bright future lying ahead.

Prof. Sanjeev Kumar Tiwari
Principal (Offg.)

On behalf of the fraternity of Maharaja Agrasen College, I welcome you all to a new world of inclusive learning, holistic development, and skill based education. Accredited with an 'A' Grade and listed amongst the top colleges of the country, Maharaja Agrasen College provides state-of-the-art infrastructure and facilities to help students generate knowledge and skills, thereby, creating self-sufficient, employable and capable citizens for the nation.

With the NEP 2020 now in its second year, the college is well prepared to provide a congenial teaching-learning environment for its students. The college has set up smart classrooms along with the existing classrooms equipped with projectors. The library has around 50000 books and e books related to the curriculum and is managed by the latest operating library system. The latest ICT facilities also help in augmenting the learning environment.

Several centres, viz. Abdul Kalam Centre, Centre for Performing Arts and Culture, Sanskriti Kala Kendra, Civic Education Centre, have been established to inculcate research and innovation amongst the students. The college also runs several short-term courses on regular basis for proper skill enhancement of the students.

In compliance with the vision of the college to mould socially aware citizens, the college runs several co-curricular societies and committees. Under the NSS-scheme, the college runs illustrious projects such as ABHI and AKSHAR among several others. Th NCC-Girls unit is another feather in the cap for the college as the young cadets are continuously performing well in national-level camps and activities. The Extra Curricular Activities Committee with 14 societies under its ambit helps the students hone their cultural and artistic skills. The MAC-Wellness centre and the lush college sports field support sporting activities conducted under the supervision of the Department of Physical Education and the Sports Committee.

The college also prides itself in its Sardar Vallabhbhai Patel Auditorium, a conference room and a committee room for further encouraging the teaching-learning process. The well-equipped and secure 58-seater Vidyottama Girls Hostel caters to the needs of the outstation girl students being admitted to the college.

I extend my best wishes to the new batch 2023-24 and I am sure that they will truly gain from the facilities and support that Maharaja Agrasen College provides.

Maharaja Agrasen College (MAC) is a dynamic young institution, which in the 29 years of its existence has quickly risen to take its place amongst the highest ranking colleges of the country for the variety of courses it offers in Arts, Science and Commerce stream. The college has excelled in almost every sphere, be it academics, sports, extra-curricular activities or faculty skill enhancement, and has successfully improved its score while retaining grade 'A' in the most recent NAAC evaluation completed in 2022. In the latest nationwide survey of India's best colleges conducted by India Today Group and MDRA, Maharaja Agrasen College stands at 24th rank in Science, 29th in Arts and 33rd in Commerce. The college has earned its rightful place as an institution of excellence, which is evidenced from its ranking amongst the top 50 in the National Institutional Ranking Framework (2022) conducted by the Ministry of Education, Government of India. This has been made possible by the efforts of a highly accomplished and committed faculty, which dedicates itself to nurturing young minds with a blend of latest research and innovative pedagogies.

Maharaja Agrasen College has constantly striven to keep abreast with the latest in technology and teaching practices to create a holistic learning environment for its students. Even during the very challenging times of the global pandemic, the college worked to provide a favourable online teaching-learning environment by designing and developing a special online learning portal, organizing faculty development programs, workshops, seminars and webinars. With the re-opening of the University after the pandemic, the college community continues to build on the technical know-how acquired during a very testing period. The college has one of the best infrastructures in terms of both facilities and furnishings. It has smart classrooms with NET-enabled interactive panels, auditorium, conference halls, a library with e-journals, course-specific laboratories and ICT lab, gymnasium, etc. The on-campus girls' hostel provides a home away from home for outstation girl students.

A number of centres are run by different departments within the college, such as the Media Centre, Centre for Civic Education, Centre for Performing Arts and Cultural Studies, Sanskriti Kala Kendra and so on. The activities and opportunities provided by these centres provide value addition towards holistic development of the students. The Abdul Kalam Centre for research and Vivekananda Study Circle are recent additions to a team of student faculty research while building a positive research culture supporting students and faculty members. The college is also a centre for Indira Gandhi National Open University (IGNOU) and Non-Collegiate Women's Education Board (NCWEB).

MAC has been nurturing the creativity and potential of its students by allowing them to express and explore themselves through the various college extra-curricular clubs as well as the student associations under the aegis of each of the college departments. Faculty guidance and support in these activities helps inculcate the values of uprightness, hard-work, sincerity and diligence amongst the students. The college is sensitive towards weaker sections of society and has always created equal opportunities for all students. Our responsibility towards the society has led us to establish student faculty associations in the form of NSS and its projects such as AKSHAR, SYAHI, ABHI, SAMARTHYA, etc. The MAC community is especially proud of its Girls' NCC unit, which has brought tremendous accolades to the college with its commendable activities. The college especially nurtures sports activities, and several of its students are state and national level players representing a variety of games.

The college boasts of a very proactive Placement Cell, which offers various opportunities to the students to interact with visiting companies and job-providers. It also organizes workshops to enhance students' employability skills. Despite the college being so young, its alumni have already made a mark for themselves in the various spheres of professional, social and civic life of the nation. MACAA is the registered Alumni Association of the college which organizes its annual alumni get-together each year leading to further enhancement of the alumni network.

Maharaja Agrasen College is a staunch believer that the path to individual and collective growth lies in its capability to adapt and accept changes as opportunities for future achievement. It aims at nothing less than being the best and shall continue in its endeavour to scale greater heights in the coming years.

The Sports Committee of the College is in charge of supervising sports activities and organizes various sports and adventure activities regularly for the students, teaching staff and non-teaching staff. The college also organizes its Annual Sports Festival, 'SPARDHA', wherein inter-college sports competitions are held. With the aim of encouraging the concept of physical fitness among the students and staff-members, the College has a well-equipped gym (MAC-Wellness Centre), which is accessible to all students and staff-members in the morning hours with an added advantage to the hostel students since they can access the gym even during the evening. Our future projects are: 1. Lawn Tennis court with synthetic turf. 2. Viewer's gallery along basketball court. 3. 10 m pistol shooting range. 4. Aarogyam: Herbal garden with yoga and meditation parks and an open gym.

FACILITIES

National Service Scheme (NSS)

National Service Scheme (NSS) is a dynamic platform that offers young minds plethora of opportunities to contribute towards the society. More than being a mere society, NSS is a way of life. It strives to instil values of generosity, social conscience and selfless service. Whether it be via awareness drives, community service projects and skill development workshops, NSS provides a range of prospects for volunteers to engage in social issues and actively participate to create a holistic and sustainable society for all. The primary aim of NSS is to promote personal growth, foster social cooperation and cultivate a sense of responsibility towards building a society defined by trust and care.

The present chapter of MAC - NSS led by a team of dedicated faculty members and student representatives guide and support the volunteers in their numerous social service endeavours. MAC-NSS volunteers are actively involved in various projects related to research, innovation, and forming close collaborations with the residents inhabiting nearby villages semi-urban areas. NSS volunteers also forms close associations with voluntary agencies to organize workshop, etc. In a single academic year, MAC-NSS aims to complete 120 hours of regular activities.

Noteworthy ongoing initiatives include

Project ABHI (Agrasen Baroji Help Initiative): Maharaja Agrasen College adopted the village of Baroji in Mewat, Haryana, in 2013. Through close collaboration with the residents, the NSS unit has contributed hugely to the holistic development of Baroji. Making frequent visits to the village has allowed NSS to educate and alter the perspectives of the people in alignment with sustainable and equitable governance.

'Tassavvur' Art and Photography Club: This sub-unit of NSS promotes interest in various forms of art and photography among the students of University of Delhi's artistic community.

Equal Opportunity Cell: MAC-NSS provides support for differently-abled individuals, SC/ST members, and students coming from economically weaker sections within its learning community

Pedal Power Club: MAC-NSS focuses on physical fitness, exploration of heritage sites in New Delhi and NCR region and promotes sustainability by reducing environmental impact.

Agrani: This project mobilizes young learners to actively promote gender equality and women's development.

Linked Learning: This program encourages socially connected learning and fosters interdisciplinary research opportunities driven by individual interests.

Project AKSHAR: MAC-NSS volunteers contribute massively in imparting quality education to underprivileged children living in nearby colonies such as Dallupura and Kondli East Delhi. Employing a well-designed pedagogical structure, teaching aids, and interactive pedagogical techniques, these underprivileged students are provided with a basic education by student volunteers of AKSHAR. Regular evaluations and parent-teacher interactions are also conducted and which ensures children's progress.

Swachhta: NSS is committed to promoting cleanliness and environmental conservation as part of Clean India, Green India initiative. Through regular cleanliness drives and initiatives like waste segregation and plastic collection, the club raises awareness about the importance of preserving the ecological balance.

Syaahi: The writing sub-unit of NSS draws upon writing skills, literary forms and communication techniques to promote the values and ideals of NSS. This unit organises engaging poetry meet-ups, storytelling sessions, and open mics along with active social media pages like, a blog. This sub-unit of NSS also publishes its own magazine.

Sanjaal: In response to the increasing reliance on technology due to the outbreak of COVID-19 pandemic, the Sanjaal Team was formed within the NSS unit. This tech team fulfils the technological requirements of various other sub-units of NSS.

In essence, NSS aspires for the holistic development of students via community service. In so doing, NSS offers multiple opportunities to acquire leadership skills, organizational and managerial skills. The ongoing projects encompass initiatives in promoting literature, honing writing skills, and enhancing artistic and photographic skills. Furthermore, NSS has also been at the forefront of providing equal opportunity to all cross-sections of society and attempts to improve physical fitness, facilitate in outlining spaces for gender equality, and imparting education to the underprivileged. MAC-NSS, an interdisciplinary and multidisciplinary learning platform leaves no stone unturned to serve the society as its very motto outlines — **"NOT ME, BUT YOU".**

National Cadet Corps (NCC)

NCC is the youth wing of the Indian Armed Forces with its headquarters in New Delhi. NCC is a Tri-Services Organization comprising the Army, Navy and Air Wing, Wing- and is engaged in grooming the youth of the country into disciplined and patriotic citizens. With its vision to empower volunteer youth to become potential leaders and responsible citizens of the country it is open to school, college and university students all over India.

Discipline and unity are the way of life and with this very motto, our prestigious college has introduced NCC Girls unit of Army Wing with the company strength of 160 under 2 Delhi Girls Battalion. At present we have about 110 girl cadets and the unit has been doing different activities such as cleanliness drive, tree plantation, adoption of statues for maintenance, organising different events like expert lecture, international yoga day, environment day etc. Despite being the new raising, our cadets are doing very well and they participated in various National event or camps such as All India Annual NCC Trek to Darjeeling and Ajmer, Prime Minister Rally, Special National Integration Camp, Thal Sainik Camp, Independence Day Camp, Youth Exchange Program, Ek Bharat Shrestha Camp, Mountaineering Training Camp.

Institutional Training are given to the cadets regularly by the GCIs and PI staffs in the college campus.

Library

At MAC, the Library is a holistic space to further augment our intellectual acumen. Housed on two floors, it is well-furnished with comfortable chairs and tables for students and teachers. It houses more than 44668 books and 135000 e-books on login bases and 5000 e-journals and other important e-resources related to Science and Technology, Social Sciences, Arts and Humanities, Commerce and Management. The library has around 200 (CD/DVDs) audio-visual collection. The library is fully managed by ALICE FOR WINDOW (library automation software). The library is subscribed with N-LIST (National Library and Information Services Infrastructure for Scholarly Content) which enables the users to access more than 5000 e-journals and e-books through a login username and password.

Students' Union

The Students' Union is the apex academic student representative body of the college formed to work for the welfare of

students by coordinating at the University level to actively organize academic and co-curricular events. The Students' Union of Maharaja Agrasen College is a democratically elected body. Academic merit, good attendance, sincerity, and leadership qualities present in students are the criteria for being elected to student's union.

The Students' Union along with the faculty and students Advisory committee works toward the improvement of college infrastructure and facilities in order to enable a better academic environment for improved performance. Student Union brings to the fore the qualities of working in a team, dramatizing innovative ideas and translating it into a vision.

Student Advisory

Student Advisory Committee is dedicated to the cause of guiding the students' council and in offering plethora of opportunities to students to participate in academic and other curricular activities. This Committee became operational in the year 2013 with the initiation of the first National Student Academic Congress on "Educational Reforms: The Way Forward." From 2016 onwards, SAC also committed to electing the Student Union of the College in accordance with University of Delhi norms. With the establishment of the Student Union, this Committee initiated a new era of student representation with its first democratically elected student body.

In the last academic session, Student Advisory Committee organized a one-day workshop on "Ethics in Academia" on 28 September 2022. The resource persons for this workshop, Prof. Gitanjali Chawla and Dr Pratibha Rai sought to create awareness on the interface between writing skills and ethical practices, and also focused on the use of different multimedia approaches to enhance students' research skills.

Student Advisory Committee organized a two-day National Student Academic Congress on "Power of Youth: Rights and Responsibilities" on April 10-11, 2023. This conference, 6th in the series of all-India level conferences, organized for undergraduate and postgraduate students provided a platform for students to deliberate on issues related to youth and how our young population could envision a new democratic and sustainable future. The Chief Guest in the Inaugural Session, Prof. Sangit Kumar Ragi elaborated from examples drawn from Ashtavakra Gita on how youth can negotiate cosmic forces to fashion an ethical world. The Chairperson for the Inaugural session, Dr Sunil Sondhi directed the attention of the students towards knowledge as always exploratory and as constantly charting unfamiliar terrain. The Principal, Prof. Sanjeev Kumar Tiwari offered factual data to substantiate on how India's global eminence is and will remain due to our young minds continually striving towards excellence. The Chief Guest for the Valedictory session, Dr Abhishek Tandon outlined power as a moral responsibility, and where youth should rely on factual knowledge rather than succumbing to peer pressure in their quotidian existence. Dr Tandon charted the role of youth as agents of truth where their multiple choices of employing different mechanisms to negotiate between rights and responsibilities would ensure the rise of India as the superpower which the world looks up to.

The conference was a huge success primarily because the student volunteers were involved in every aspect of the conference: from planning to organizing, and executing the event. Apart from increasing their knowledge about the role of youth in society and how they strategically use their rights without abandoning their responsibilities, this conference offered the students to hone their leadership and organizing skills.

The Student Advisory Committee will in the coming academic session continue to organize talks, lectures, workshops and conferences for students, where diverse kinds of knowledge will be imparted to them for securing job opportunities and also to implement the vision of our college, which is to create a holistic, ethical and sustainable world.

Extra Curricular Activities

Extra Curricular Activities form a vital part in the holistic development of the young minds. At Maharaja Agrasen College, various cultural activities are conducted under the ambit of the ECA Committee, a body of faculty members. The students organise and participate in various activities either through the Cultural Council, a group of students inducted by the ECA Committee or through the cultural societies. FACILITIES

Smart Class Rooms

Maharaja Agrasen College added another feather in its cap and paved way for next generation teaching-learning system by creating six smart classrooms in its premises. The smart classrooms are in line with the college's aim of providing holistic and quality education to all its students.

These classrooms will enhance virtual learning and teaching environments by offering real-time e-learning ambience with help of audios and videos, multimedia images, online web conferences, PPT presentations, 2D & 3D animations, etc. This leads to the emergence of a more inclusive and interactive teaching-learning scenario. This new age teaching-learning system will help in coalescing virtual and in-classroom teaching methodologies in multiple and innovative ways to afford easy accessibility for all. The smart classrooms were inaugurated by Vice Chancellor of University of Delhi, Prof P.C. Joshi on 10 September 2021 in presence of Dean of Colleges, Prof Balaram Pani, Principal, Prof Sanjeev Kumar Tiwari and other staff members of the college.

Sanskriti Kala Kendra

The Hindi Department had started a Sanskriti Kala Kendra with the aim of the overall development of the students. Besides giving them academic knowledge, the centre focuses to inculcate cultural and moral values among the students. Maharaja Agrasen College has initiated a long-term educational and cultural exchange program with Tokyo University of Foreign Studies, Tokyo, Japan. Apart from that the centre organises various Educational Trips, Cultural Exchange Programmes and Seminar/ Symposium / Experts Lectures on Socio-cultural issues for overall development of the students.

Civic Education Centre

The Centre aims for effective promotion of commitment to the Constitution of India and good citizenship in the capital and the country through education. It initiates and sustains the "Leadership Development Camp" and several such activities in Delhi. In order to create a cadre of ideal educators, the Centre develops and implements Teacher Training Programmes on Civic Education. Creating and implementing 'Monitoring and Evaluation' Mechanisms, publishing research related materials, developing standards and curriculum framework and the implementation of Leadership and Network Training Programmes are some of the goals which have been taken up by the Centre to promote Civic Education in India. The Centre plans to develop and sustain its relationship with other stakeholders – namely the Department of Education, colleges, schools, homes and local government officials – to strengthen civic values in India. The Centre organizes workshops for students to inculcate general awareness about their rights and duties. It also tries to familiarize the students with the provisions of our constitution. The Centre advocates for change and social justice. The Centre is working towards engaging the stakeholders in awareness programmes for restoration of natural areas, parks, rivers, etc.

Environmental Club

The College Environment Cell, G-One, focuses on raising awareness and providing active solutions towards the contemporary global environmental issues, and subsequently promotes an ecologically ethical consciousness amongst all the stakeholders of the College. This Cell has collaborated with Indian Pollution Control Association (IPCA), Jaagruti Waste Paper Recyclers for management of different kinds of waste (paper, plastic, e-waste). In this regard, the College has been declared as a Zero Waste Campus. The College Environment Cell proposes to organize numerous plantations drives, interactive workshops, seminars,

discussions, industrial visits, and participate in various government projects and programs, etc. to build a sustainable future. In this regard, students from across disciplines and years can be members of this prestigious Cell.

College Publications

The academic community of the college is alive to the need of bringing out in-house publications. The college publishes a research journal, 'The Indian Journal of Social Enquiry', which has earned a pride of place in the annals of research journals in the country. The Department of Business Economics brings out its annual journal 'BEAM' which gives the students an opportunity to publish and showcase their knowledge and throws light on current business developments. The Department of Journalism regularly publishes its newsletter 'MAC VOICE'. The entire process of editing and designing is carried out solely by the students, so that they can understand the concept of Journalism from news gathering to its circulation. 'AGRANIKA', the college magazine, mirrors the spirit of Maharaja Agrasen College community. It is a canvas for expressing creativity and exists as a record of college life for a session. It is published annually and is released on the Annual Day in the College.

Training and Placement Cell (TPC)

In the era of global economic integration, increasing degree of world competition is at its peak and creating a place for an individual in a professional arena is a hard task. While the college provides the students with education and all the essential skills to excel, the Training and Placement Cell of Maharaja Agrasen College does its best to give them the opportunities to flourish through a common platform, which is shared by both the students and the corporates.

The primary motive of TPC is to provide students with employment opportunities.

Apart from that, TPC also seeks to impart effective communication skills, management skills and all the necessary etiquettes which are of utmost importance for corporate professional. It becomes paramount to sharpen the skills of the students before they graduate because they would be manoeuvrer into a whole new world of competition.

Training and Placement Cell of Maharaja Agrasen college is an indispensable society which prepares the students for the corporate world providing them with internship opportunities, what companies they can apply to and how to ace the interview. The cell conducts many workshops where they invite successful entrepreneurs and working men to motivate the students into reaching heights. Numerous career counseling webinars are also conducted in the college to assist students find their spark and how to be a star winner. The members of the cell are thoroughly enlightened with the corporate world and have a knack for achieving success in the cut throat competition; they have well developed soft skills, communication skills and are committed to success. Their knowledge of know-how of the corporate world combined with their young, imaginative and fierce mind, the students will undeniably aid the company to reach an influential position in the business world. The students will absolutely provide what the corporate world demands. They have a lot to give to the companies, with their varied skills, diligence, and their bent to do something exquisite.

In the past year, the Training and Placement Cell had organized a Resume Writing Workshop keeping in mind the importance of writing a good C.V. within a professional context. The workshop was indeed successful and concluded with students putting forth their queries and receiving feedback. The Placement Cell has been working hard to help the students to learn and acquire corporate knowledge and strategies. Students were sent to reputed organizations for internships in

variety of fields ranging from Media to Banking to Management. TPC has always stood as a support structure for the students. It has provided various internships opportunities so that students can gain some exposure in fields of their interests. The College in collaboration with other organisations and NGO invited top grade companies like Prime Focus, Vistara, Oyo, Yatra, Vibgyor, Genre 8, Go Air, Zee, DEN, Travel

Triangle and other big companies. A good number of students turned up for the Fair. Students were very keen to face the interview as it was a great learning experience. The job fair was conducted smoothly and it provided corporate exposure.

TPC has been working rigorously in planning out future plans and improving the structure of the committee so that it benefits the students in a far more informed manner. TPC not only brings employers to college portals but also prepares the students to grab the opportunities which otherwise is very slim. The students have not only been provided with internships and placements but altogether, they are also motivated to derive more expertise from these openings and avail better opportunities. Expertise comes with practice and TPC always encourages both the members and the students to keep improving and improvising in these training sessions and reap benefits from these exposures.

The Training and Placement Cell is working on organizing a few more workshops, which would be an enriching experience for the students. There is a lot more that is yet to be accomplished in upcoming session of various seminar, workshop and corporate visit planned in academic calender 2023-24 by a committed team of TPC.

Equal Opportunity Cell (EOC)

The Equal Opportunity Cell at Maharaja Agrasen College recognizes the persons with disabilities as valuable human resources of the country. EOC aims to create empathy and an awareness on matters pertaining to disability. The Cell works to develop and facilitate counselling, assistive technology, accessible infrastructure and inclusive pedagogy for persons with disabilities in the college premises. Pursuing its commitment towards taking initiatives for the inclusion of persons with disability in the mainstream of college community, the Cell organizes events such as disability sensitizing workshops, expert talks, skill enhancement workshops, job fairs for persons with disabilities, sports and cultural activities etc. round the year. We believe that disability is pervasive and yet another form of human diversity.

Abdul Kalam Centre

The Centre strives to prepare our students for future competencies and equip them with state-of-the-art infrastructural facilities and able guidance. It serves as a one stop space for nurturing fresh innovative ideas from students/faculties into a well-defined research or practice or a start-up initiative. The Centre aims to provide round the clock infrastructural and IT support as well as brainstorming sessions with faculty/industry persons to refine nascent ideas and may provide financial support to selected ventures. The college in the earlier academic sessions has successfully completed 10 innovation projects and 7 Star Innovation Projects.

The Embedded Systems and Robotics Centre (ESRC), MAC has been set up with an aim to provide a platform for training students both in theory and applications of robotics through exciting hands-on application of Maths, Computer Science, and Engineering principles. The ESRC has been established with a mission to enable effective Embedded systems and Robotics education to students by providing training for students; engaging teachers and students in hands-on experiments with robots.

IQAC

The Internal Quality Assurance Cell (IQAC) was set up in Maharaja Agrasen College, University of Delhi on October 3, 2015 in response to the latest set of guidelines laid down by NAAC for the setting up of the Internal Quality Assurance Cell in higher institutions. The MAC-IQAC is committed towards enhancing the academic and research environment of the college. Internal Quality Assurance Cell (IQAC), Maharaja Agrasen College was formed with the aim to develop a quality system for conscious, consistent and catalytic programmed action to improve the academic and administrative performance of the College. The mandate of MAC-IQAC is to develop an all-inclusive quality culture in the college by channeling and synergizing the efforts of all constituent stake holders of the college and work towards academic excellence and progress. The MAC-IQAC 2023-24 comprising of Principal as Chairperson and Prof. Maneesha as the Coordinator along with teachers-in-charge and administrative officials work in tandem towards internalization and institutionalization of quality enhancement initiatives. These initiatives help to improve the academic and administrative performance of the institution and to promote measures for institutional functioning through internalization of quality culture and institutionalization of best practices.

MAC-EBSB Club

As per the guidelines of Government of India under the initiative of Ek Bharat Shreshtha Bharat (EBSB), Maharaja Agrasen College launched the MAC-EBSB club in 2019-20. The club has more than twenty students from various departments organising events under the guidance of the teachers. Ek Bharat Shrestha Bharat is a humble initiative to cherish and celebrate the rich cultural heritage of our country India, to be able to preserve and propagate its history, traditions and values. In 2019-20 MAC-EBSB club had embodied the duty by representing the allocated state - Sikkim (as per the implementation strategy of the engagement matrix 2020) as a part of this social engagement program in coherent ways. The EBSB Club organized many events like movie screening, article writing competition, art competition, Delhi & Sikkim E-tour etc. The club celebrated the diversity of culture in India by organising a Cultural Competition under Yuvutsav. EBSB Club orchestrated an educational tour to Sikkim, a partnering state for Delhi and became the first team from Delhi to visit partnering state to expand students' knowledge and apprehension about the Sikkim culture in a comprehensive manner to gain a better insight of the state.

EBSB club of Maharaja Agrasen College, University of Delhi celebrates "Azadi Ka Amrit Mahotsav ". As an endeavor to spread the message of the "Azadi Ka Amrit Mahotsav" programme, the 'Ek Bharat Shreshtha Bharat' club showcased "Azadi ki Amrit Kahaniya" at Maharaja Agrasen college, University of Delhi. This "Azadi Ki Amrit Kahaniya " is a short video

series of seven inspirational women who have accomplished extraordinary achievements in different fields including environment protection, healthcare and aviation.

As part of the Azadi ka Amrit Mohatsav-Har Ghar Tiranga Campaign, Ek Bharat Shreshtha Bharat Club of Maharaja Agrasen College also organized the elocution contest on the topic 'The Unsung Heroes of the Nation', whose contribution in various ways inspired the students.

MAC-EBSB club is a learning platform for its members and a nourishing opportunity for Maharaja Agrasen College. Weaving oneself to the cultures, flowing in the river of knowledge and human history is requisition for a country's growth in a true sense. Maharaja Agrasen College stands proud to be a part of this exceptional initiative to celebrate and promote the cultural diversity of India.

Centre for North East

The Northeast Cell of Maharaja Agrasen College epitomizes the exquisite spirit and rich diversity of the beautiful North-eastern states of India. The society provides a platform to the students from Northeast India to showcase the enchanting ethos of the eight Northeast states through various events and activities. It harnesses and polishes the skills of the students by channelizing their intellectual energies in a positive way to make them productive members of the society. The Northeast Cell not only mentors the students to enhance their skills but also transforms them into dynamic leaders of tomorrow. Firmly believing in the idea of 'Ek Bharat, Shresth Bharat', the Northeast Cell educates people belonging to different parts of our country about the magnificent culture and history of Northeast. The Cell uses its privileged platform as a fertile land, where students engage in a healthy interaction to promote the culture of 'Unity in Diversity'.

With this aim, the Northeast Cell of Maharaja Agrasen College has organized multiple events over the years highlighting the rich essence of the region. The society has conducted events such as Northeast Cultural Fest cum Folk Dance Competition in 2019, an essay competition on 'Relevance of Gandhi amongst the Youth in North Eastern Region' in 2020, Mahatma Gandhi Memorial Inter-College Essay Writing Competition on 'The Unsung Freedom Fighters from North East India' in 2021, a cultural exhibition displaying the rich heritage and tradition of Northeast India in 2022, North Eastern Solo and Group Cultural Dance Competition, Quiz Competition, Poster Making Competition, and Article Writing Competition on the topic 'North East India and AYUSH: Retrospects and Prospects' in 2022.

Admission Procedure

Step I: Appearing in CUET-UG 2023.

For the academic year 2023-24, admission to all UG Programs of UOD will be done based on the Common University Entrance Test- Under-Graduate 2023 (CUET (UG) - 2023. CUET(UG) - 2023 was conducted by the National Testing Agency (NTA) in May-June 2023.

Step II: Registration in CSAS – 2023

Appearing in CUET(UG) - 2023 will not be a sufficient condition to secure a seat in Maharaja Agrasen College. For admission to the College UG Programs, a candidate has to apply in Common Seat Allocation System (CSAS-2023) of University of Delhi. Determination of program-specific eligibility and verification of documents for admission to MAC will be the sole purview of the college/university.

All applicants desirous of taking admission to Maharaja Agrasen College must give the preferences of MAC and the programs offered by the college in CSAS – 2023.

The candidate must refer to the Programs offered by MAC, their Program-Specific Eligibility Criteria, the seat matrix of each program offered by the college, fee structure and other relevant information published on the college website and the admission website of UOD before selecting the Program and College preferences.

Step II: Registration in CSAS – 2023

The CSAS -2023 form will be duly submitted only when the applicant has paid the relevant registration fee. This fee must be paid only through the link provided through the applicant's Dashboard.

Step III: Seat Allocation

The University of Delhi will provisionally allocate seats to applicants during the various allocation rounds. The applicants must 'Accept' the allocated seat and apply for admission to MAC. The college will then verify the documents and approve the admission. For details, please refer to CSAS - 2023 document available at: **https:// admission.uod.ac.in/userfiles/downloads/UG_CSAS_2023_14062023.pdf**

Step IV: Selection of Course and College

Upon seat allocation, applicants must log in to their Dashboards to accept the program and college allocated.

i. Please note that 'Accept' option to apply in the college as per allocated seat can be made only online through their Dashboard on the UG admissions portal. There will be no physical visit to the colleges at this point in the process.

ii. The procedure for accepting the allocated seat by the applicant must be completed within the stipulated time period.

Step V: Online verification of documents by respective colleges

The college shall verify the documents uploaded by the applicant for the program-specific eligibility, minimum eligibility and category. Those approved are required to pay the fee and receive a confirmation of their admission.

Step VI: Payment of fees to confirm admission

Once the Principal of the College has approved their admission, the applicants will receive a link on their Dashboard through which they must submit the program fees due. This fee can only be paid online through the portal.

i. The applicant must pay the fee without delay within the stipulated time. On successful payment of fees, the applicant is granted provisional admission to the said college.

ii. Applicants must pay the fee within the timeframe allocated, failing which it will be concluded that the applicant is not interested in the program of study at that college, and the candidate will be out of CSAS - 2023.

Step VII: Physical verification of the original documents

The respective colleges will verify the uploaded documents within the stipulated time (Dates for the same shall be announced by the University / College later). If, at this stage, it is found that the information given by the applicant is false and/or is not supported by the documents presented, the admission will be immediately cancelled. No fees will be refunded in such cases.

Any change in the admission process for CSAS – 2023 UG admission will be notified on the website of the University of Delhi. Candidates applying to the University of Delhi must refer to the UG BoI-2023 for Common Minimum Eligibility criteria and Program-Specific Eligibility criteria. **https://www.du.ac.in/uploads/new-web/13.02.2023-DU-UG-BOI%20 2023.pdf**

If at any stage original documents relating to the admission of a candidate are found to be fake / non-genuine or fabricated or in any other manner defective, the said candidate will not be admitted. If already admitted, admission will be cancelled without any prior notice in this regard. If the same is found after completing the program, his / her degree will be cancelled and appropriate legal action will be taken.

Qualifying Examinations:

Qualifying examinations for admission to the first year of undergraduate programs offered by the University of Delhi shall be Senior Secondary School Certificate Examination (Class XII) of the Central Board of Secondary Education or an examination recognized as equivalent.

Age Requirement:

As per Ordinance-I of the University of Delhi, there is no minimum age bar for admission for the courses offered by the college.

B. A. (Hons.) Business Economics

In today's rapidly evolving and dynamic global business environment, it is crucial to adapt to managerial talent in order to effectively utilize resources and achieve high levels of competitiveness within organizations. B.A. (Hons) Business Economics course aims to instil students with effective managerial skills, encompassing human, technical, and conceptual aspects.

This comprehensive course structure imparts knowledge of fundamental economics as well as core functional areas of business management such as marketing, finance, and operations research. Moreover, the course helps train students to become responsible, dynamic, ethical, and proactive managers. The Department of Business Economics is committed to promoting inclusive development and learning by encouraging regular student-industry interactions. To facilitate this, the department has initiated a student-industry interface program where successful individuals from the corporate world provide valuable guidance and practical applications of managerial skills on a regular basis.

The department also organizes workshops to provide students with exposure to the corporate world. The Business Economics Association (BEA), the students' society within the department, arranges annual events like Entreuzest and Industrial Colloquium. These events offer students the opportunity to organize and participate, fostering the development of important soft skills as well as core managerial, planning, marketing, and financial skills that are highly beneficial in their future professional endeavors. Additionally, students actively engage in writing and publishing research papers under the guidance of faculty members.

With a dedicated and highly experienced faculty, the department emphasizes practical learning through various projects throughout the course. Every year, the department organizes the two-day academic event, ENTREUZEST, where talented business students compete at the inter-college level in events such as Boiler Room, Lodge and Load, Blue Print, Art of Optimization, and B-Plan. These simulated situations of pressure stimulate young minds to showcase their analytical skills and talents.

Overall, the department takes pride in its commitment to excellence and ensures that students receive a well-rounded education, equipping them with the necessary skills and knowledge to thrive in the professional world.

B. A. (Hons.) English

B.A. Honours course in English at Maharaja Agrasen College, introduced in 1997, is a highly sought-aftercourse by new entrants and justly so. The syllabus is consisting of an entire panorama of numerous texts dealing with different literary genres, contexts and critical tools to engage with diverse discourses. Analytical approach towards the spectrum of global literatures aims to train the learners in various methods of literary and sociocultural analyses. During the course, students get ample opportunities of interacting with some of the best minds in the discipline as well as in allied fields, through seminars, symposia, panel discussions, talks. The course is designed to ensure delivery of high-quality teaching, transparent mechanism of internal assessment and structured preparation for university examinations envisioning orientation for diverse future professions relevant to present and future societal needs. Research is encouraged in classroom teaching through initiatives such as interfaculty lecture series project (ILSP), initiated since the session 2020-21. Students and faculty have access to the departmental library, agrowing digital archive, as well as a rich reserve of resources in its Centre for Performing Artsand Cultural Studies (CPACS).

A full calendar of co-curricular activities, notified well in advance, is followed, allowing young minds to connect with larger world beyond the literary learning in their classroom ambit. The co-curricular events include the Annual Lecture Series, Literature Festival 'LITERATI', Meet the Author Series, film-making and theatre performance projects by CPACS, various workshops and an excursion to places of cultural interest. Meet the Alumni series allows a meaningful interaction with Alumni of this course positioned successfully in their respective careers. Co-curricular Student Society, 'ACTIVE', lives up to its name each year by organizing many well attended events, under the guidance of their teachers. The department is regularly organizing National and International conferences. NEP based structure and syllabi of DU English courses under UGCF scheme have been designed by incorporating inputs from well researched areas worldwide providing these courses clarity of course statements, academic and job-oriented objectives, facilitating the achievements of course, essential readings, weekly teaching plans and keywords. Besides core courses on literary studies,

Dr. Charu Arya
TIC, Department of English
carya@mac.du.ac.in

"Borderless and of all ages, literary studies take in everything from epic poems to novels, from short stories to graphic narratives, from drama to films and from language development to translation and adaptation. It adds new perspectives to learners' way of thinking"

the framework of the degree also includes courses on skill / ability enhancement, discipline specific core and electives, generic elective and a wide range of exposure to activities associated with teaching-learning exercises of these courses. To facilitate the achievements of course learning outcomes, the department applies the model of teaching-learning as included in syllabus which clearly demarcates a participatory three pillar approach consisting of 1. Course Learning Outcomes 2. Teaching and Learning Activity and 3. Assessment Tasks. To lay theoretical foundation for the course the emphasis is on understanding concepts, expressing analytical approach through writing, and demonstrating conceptual and textual understanding in tests and exams. Teaching-learning activity comprises of interactive discussions in small groups in tutorial classes, how to think critically and write with clarity during assessment and discussions on exam questions and answering techniques. The assessment tasks include reading material together in small groups, initiating discussion topics, participation in discussions, writing essay length assignments and class tests. The English Department, thus is a stimulating, vibrant space, providing ample opportunities for students to explore their potentials with the resources made available to them in the intellectual and academic social arenas.

बी.ए. (ऑनर्स) हिन्दी

साहित्य अपनी जड़ों को जानने–पहचानने और मानव व्यवहार को समझने का एक सर्वोत्तम साधन है। महाराजा अग्रसेन कॉलेज का हिंदी विभाग इसकी एक कड़ी है जो भाषा, साहित्यएवं संस्कृति से संबंधित शैक्षिकएवं सांस्कृतिक गतिविधियों कोएक सूत्र में पिरोती है। साहित्य और कला का बोध जागृत करने के लिए हिंदी विभाग की दो संस्थाएं, नवचेतना परिषद् और संस्कृति कला केंद्र वर्ष भर गतिशील रहती हैं।

सत्र के आरंभ में हिंदी विभाग की साहित्यिक– सांस्कृतिक संस्था 'नवचेतना परिषद' के सदस्यों का निर्वाचन परंपरा के अनुसार हिंदी विभाग के विद्यार्थियों में से किया जाता है। ये सदस्य वर्षभर आयोजित होने वाले विभिन्न विभागीय समारोह में अपनी उपस्थिति और सक्रियता बनाये रखते हैं और विभाग की शैक्षणि कएवं प्रतियोगितापरक गतिविधियों को सुचारू रूप से संपन्न कराने में अपनी महत्वपूर्ण भूमिका अदा करते हैं। सत्र आरंभ होने के कुछ हफ्ते बाद तीनों वर्षों से इच्छुक विद्यार्थियों का चयनकर नवचेतना परिषद का गठन कर दिया जाता है।

हिंदी दिवस, विश्व हिंदी दिवस, गांधी जयंती, सरस्वती पूजा, स्वागत एवं विदाई समारोह, राष्ट्रीय संगोष्ठी, कार्यशाला आदि मुख्य कार्यक्रमों के अंतर्गत स्वरचित काव्यपाठ प्रतियोगिता, पोस्टर मेकिंग प्रतियोगिता, नाटक, रचनात्मक लेखन प्रतियोगिता, प्रश्नोत्तरी प्रतियोगिता आदि का आयोजन किया जाता है। 'वसंतोत्सव समारोह' के अंतर्गत प्रायः लोकगीत गायन प्रतियोगिताएवं लोकनृत्य प्रतियोगिता आयोजित की जाती रही है। समय समय पर 'शिक्षक–विद्यार्थी संवाद' का भी आयोजन किया जाता है। कॉलेज की वार्षिक पत्रिका में हिंदी विभाग के विद्यार्थी अपनी रचनाओं को साझा करते हैं और अपनी विशिष्ट पहचाना बनाते हैं।

नवचेतना परिषदएवं संस्कृति कला केंद्र की ओर से सक्रिय विद्यार्थियों को प्रमाणपत्र एवं स्मृति चिह्न प्रदान किए जाते हैं।

हिंदी विभाग में शिक्षकों की वर्तमान संख्या 12 है और वर्तमान प्रभारी प्रो. तेजनारायण ओझा हैं। समस्त कार्यक्रमों में सभी शिक्षकों एवं विद्यार्थियों का योग सहयोग रहता है, जिससे कार्यक्रमों की सर्जनात्मक स्वरूप में उत्तरोत्तर वृद्धि होती है और समस्त कार्यक्रम विधिवत् आयोजित एवं सम्पन्न होते हैं।

B. A. (Hons.) Journalism

The B.A (H) Journalism course aims at foregrounding the role of journalism in a democratic society. This course helps the students to refine their linguistic and communicative skills while providing an insight into the socio-economic and political dimensions of living in a globalized world. A host of interesting and practical subjects like the history of journalism and printing, social psyche and mass culture, news making, advertising and public relations are covered in the course to give the student a firm foundation for a competitive industry. Understanding the importance of practical experiences required in this field, this course has been designed to give maximum exposure to the students and thereby familiarize them with the on-ground skills and abilities required. Department organizes talks, lectures and symposiums on various issues, which exposes students to the words of eminent achievers in the media industry.

Apart from inviting media professional to the college, the students of the college are taken to various media houses to help them in becoming acquainted with the industry, its functioning and requirements. While the course focuses on journalism and news media, it is no way limited to it. The course provides ample skills to students for varied fields like radio, advertising and public relations, photography, filmmaking, etc. And even in these fields, the course enables the student to choose their interests, be it on-screen or off-screen professions by imparting an ample skill set for both.

Event management is an important aspect of this industry and therefore the Department organizes the annual Journalism Festival 'Yatharth'. The fest is largely organized by the students with the faculty as their guiding light. The Department also regularly publishes its much-acclaimed newsletter, 'MAC VOICE'. The entire process of editing and designing is carried out solely by the students, so that they understand the concepts of Journalism from news gathering to circulation while honing their skills for the news media industry. The course's wide-ranging focus and industrial relevance is characterized by our alumni who have made a name for themselves across various fields. Our alumni are working with organisations like Wall Street Journal, Reuters, Al Jazeera, BBC, Doordarshan, India TV, Zee Media, CNN-News18 Group, NDTV,

B. A. (Hons.) Political Science

In 1994, the Department of Political Science was founded with the aim of providing quality education in the field. The students have the opportunity to pursue a B.A. (Hons.) in Political Science through the department. Additionally, the department caters to students enrolled in the B.A. Prog. (Political Science) program, offering them a diverse range of courses. The current curriculum for Political Science papers in the B.A. Prog. program can be accessed on the official website of the university. Moreover, the department extends its offerings by providing interdisciplinary Generic Elective (GE), Value Added Courses (VAC) and Skill Enhancement Courses (SEC) papers for students pursuing other Honours courses. There are a total number of ten faculty members currently employed with the department. The faculty has varied interests across the discipline ranging from Political Theory, Nationalism, Foreign Policy, African Politics, South Asian Politics, Human Rights, Public Administration, Indian Diaspora etc. 'Chanakya' is the Political Science student society of Maharaja Agrasen College that aims at providing services that enable students to develop their full potential and to reach their educational goals. Chanakya society organizes its Annual Fest each year where various competitions like Slam Poetry, Political Quiz, Just a Minute, Political Caricature, Funk from Junk which was to encourage students to Make Best out of the Waste, Ek din ka Mantri where participants were given the role of a minister and Drollery-stand-up comedy, poster making, extempore, Multilevel debates, essay writing, mock elections etc. are held to provide a learning atmosphere to the students of the department. All these events helped in overall personality development of the students.

The Department of Political Science in collaboration with Chanakya Student Society held its Annual Academic Fest 21-22 April 2022. Various events like poster-making, rangoli, face painting, extempore and be-the-minister were organised by the students on political theme. The two-day fest was very eventful and provided ample opportunity for the department students to participate in various activities. The Department of Political Science, Student Society Chanakya organised a Plantation Drive on 23rd July, 2022, by the students and faculty of Department of Political Science. The students planted around 50 plant saplings in the college campus and pledged to take care of these saplings. The Department also organised a Cleanliness Drive on 27th July, 2022 by the students and faculty of Department of Political Science. The students and faculty utilised the day to clean their department room and all the classrooms of

B. Com. (Hons.)

B.Com (Hons.) has been the flagship programme of Delhi University. Here, what you study in the classroom is directly applicable to your work life and the workplace. The Commerce programme emphasizes on an interactive teacher-learner environment necessitated by the use of presentations, role plays, case studies, group discussions, educational excursions, film screenings, and the use of e-resources in teaching of subjects like principles of marketing,business laws, management accounting, corporate accounting, business economics, and e-filing of returns. Besides pursuing higher studies in the domain of commerce itself, the B.Com (Hons) is a valuable preparation for a variety of career options in entrepreneurship, marketing, e-commerce, advertising, banking, insurance, media, school and university teaching, business research, consultancy, law, civil services etc. The Commerce department is active in organizing talks, discussions, workshops, outstation trips, as well as their two-dayannual festival "CRUSADE" for holistic development of the students.

Many of our students are also active in successfully managing their participation in theatre, classical music and dance, art and photography, and NSS along with their academic pressures. A team of young and enthusiastic professors await you to serve as your friend, philosopher, and guide. The Commerce Department has Financial Literacy cell-where you can learn how to invest money, get returns, earn money and how to take care of money; Life Skill Cell-where you can learn skill required for professional life; Wellness Cell- where you can develop innovative thinking and positivity; Training and Placement Cell-where you can learn employability skills;Alumni Cell- brings former graduates together to maintain a connection with their university and fellow graduates;and Community Service Cell- where you can learn to do work for the betterment of the community.

Programme structure as per NEP includes Disciple Specific Courses (DSC) which are mandatory core courses to be taught in a programme. Generic elective (GE) is a pool of courses of all disciplines baring core discipline from which students can choose. Skill Enhancement Courses (SEC) emphasize to provide hands-on-training, skills & competencies to students. Value Addition Courses (VAC) aims at personality building, embedding ethical, cultural and constitutional values, promoting critical thinking etc.

B. Sc. (Hons.) Electronics

The B.Sc. (Honours) Electronics programoffered by the University of Delhi under the UGCF-2022, focuses on studying electronic systems, devices, and circuits. It is designed to provide in-depth knowledge and practical skills in the field of electronics. A few key aspects of the course are:

Core Subjects: The program includes a range of core subjects that cover foundational topics in electronics. These subjects include electronic circuits, digital electronics, analog electronics, semiconductor devices, microprocessors, control systems, signal processing, and communication systems and more.

Specialization Areas and Elective Courses: The program provides the flexibility to choose elective courses based on individuals' interests and career goals. Students can choose specialization areas within electronics, such as embedded systems, power electronics, telecommunications, VLSI (Very Large-Scale Integration) design, or robotics.

Laboratory Work: Hands-on practical experience is a vital component of this Electronics Honours program. In laboratory sessions,students learn to design, build, and test electronic circuits and systemswith electronic components, measurement instruments, and simulation software.

Research Projects and Internships: Under UGCF, students are required to complete a research dissertation in the fourth year of the program. This aspect of the program allows students to apply their knowledge and skills to investigate a specific topic of interest within electronics under the guidance of a faculty member.

Projects and internships enable students to bridge the gap between theory and practice, enhancing their understanding of electronics concepts and principles. In addition to practical skills such as circuit design, prototyping, testing, troubleshooting and data analysis, they prepare students for Problem-Solving Skills, Collaboration and Communication, Professional Development, Networking Opportunities and Resume Enhancement.

Dr. Amit Pundir
TIC, Department of Electronics
amitpundir@mac.du.ac.in

Students, who are good at mathematics and physics with inventive and creative mind, can sure be able to shine in the field of electronics.

Industry Exposure: It provides opportunities for internships or industry placements. These experiences allow students to gain practical exposure to real-world electronics applications and work in collaboration with professionals in the field.

Overall, B.Sc. (Honours) Electronics is a well-rounded Program that prepares students for successful careers in the field of electronics. For details and up-to-date information about the program, it's recommended to check the University of Delhi website.

B. Sc. Physical Science

Courses of Study – Courses of study indicates pursuance of study in a particular discipline. Every discipline shall offer three categories of courses of study, viz. Discipline Specific Core courses (DSCs), Discipline Specific Electives (DSEs) and Generic Electives (GEs).

a) Discipline Specific Core (DSC): Discipline Specific Core is a course of study, which should be pursued by a student as a mandatory requirement of his/her programme of study. DSCs shall be the core credit courses of that particular discipline which will be appropriately graded and arranged across the semesters of study, being undertaken by the student, with multiple exit options as per NEP 2020. The DSCs specified in the framework would be identified by the concerned Department as core courses to be taught in a Programme.

b) Generic Elective (GE): Generic Electives shall be a pool of courses which is meant to provide multidisciplinary or interdisciplinary education to students. GEs shall consist of a pool of courses offered by various disciplines of study (excluding the GEs offered by the parent discipline), in groups of odd and even semesters, from which a student can choose. In case a student opts for DSEs beyond his/her discipline specific course(s) of study, such DSEs shall be treated as GEs for that student.

c) Ability Enhancement course : (AEC), Skill Enhancement Course (SEC) & Value Addition Course (VAC)

(i) AEC courses are the courses based upon the content that leads to knowledge enhancement through various areas of study. They are Language and Literature and Environmental Science and Sustainable Development which will be mandatory for all disciplines.

(ii) SEC courses are skill-based courses in all disciplines and are aimed at providing hands-on-training, competencies, skills, etc. SEC courses may be chosen from a pool of courses designed to provide skill-based instruction.

(iii) VAC courses are value-based courses which are meant to inculcate ethics, culture, Indian Knowledge systems, constitutional values, soft skills, sports education and such similar values to students which will help in all round development of students.

Besides, the name of the Student Society of B.Sc. Physical Science is "Vigyanmanthan". Various Competitions, Lecture series are organised by the department during its annual cultural meet "Scintilla" to enhance students' overall growth.

B. Sc. Mathematical Science

The Department of Mathematics seeks to intensify the student's knowledge of mathematical, quantitative, and scientific principles that can apply to various fields of applications and enable them to have an analytical decision making. The Department at present is offering a course in B. Sc. Programme in Mathematical Sciences which is a perfect blending of Mathematics, Statistics, Operational Research, and Computer Science. The main motto of the course is to create a solid foundation for assimilation of mathematical concepts and structures and build mathematical skills like creative, logical, and analytical thinking. This well-structured programme enhances student's employability skills and also their ability to articulate these skills. Today, careers in data science are in high demand, and thus the need for persons having knowledge of Mathematics, Statistics, Operational Research, and Computer Science can only multiply. The study of this course shall be of immense help for students planning a career in Management Science, Computer Science, Operational Research, Mathematics, and several others. The department organizes several lectures to provide exposure to students about the latest development in the Mathematical Sciences.

We also conduct workshops to enhance skills helpful in securing better avenues in the highly demanding job market. Careers in data science are in high demand, and thus the need for persons having knowledge of Mathematics, Statistics, Operational Research, and Computer Science can only multiply. In today's world of digitization, this program provides the students an opportunity to get job which can be termed as the "dream job" of the next decade. The study of this course shall be of immense help for students planning a career in industry, actuarial sciences, Management Science, IT Industries, Software Developer as well as for further studies in finance and business statistics. The department organizes several lectures to provide exposure to students about the latest development in the Mathematical Sciences. We also conduct workshops to enhance skills helpful in securing better avenues in the highly demanding job market. In B.
